The one BIG question: How do you disciple another man? Men in thousands of churches across the world know there is more to faith than just attending church — they know there is the potential to walk in Christ’s image, live in Christ’s image, and work to spread Christ’s word. But the one big question they are all asking is how? The Spirit of God is compelling them to seek the answer. This book is the gateway to answering that question. The authors spent years struggling to build a life of meaning before realizing their depravity and asking the questions: “What does it mean to be a godly man, and how can I become one?” The Spirit answered by sending men into their lives to disciple them, not with disdain or judgment, but with love and compassion, a gospel-centered focus. These men walked alongside them in the messiness of life, helping them to apply Biblical truths and spiritual disciplines in a challenging world. From their own personal journeys, out of the abyss, the authors have written this book. Here you will learn to: • BUILD a one-on-one relationship • CREATE a culture of men who support each other • LOOK TO CHRIST and find what obstacles are blocking you • TRANSFORM your life seeing the Gospel advance through the discipling of other men. Real-Life Discipleship:

The Ordinary Man’s Guide to Disciple-Making offers a gateway from confusion to clarity, from struggle to transformation.

**The Method of Christian Theology** Rhyne Putman 2021-05-15 When handling the things of God, our method matters. Everyone who thinks about God has a method for approaching the subject, whether they recognize it or not. A theological method addresses foundational questions such as: What is theology? How should we approach Scripture? What is the role of tradition, philosophy, and experience? How do we use theology in ministering to others? These questions are vital for anyone studying God and his Word—how one defines theology, sees its task, and uses its sources will shape one’s doctrine, for better or worse. In The Method of Christian Theology, Rhyne Putman guides readers through the essential “first words” of systematic theology. Written for entry-level theology students, this book provides clear guidance for using theological sources, reasoning through difficult questions, and applying theological reflection in paper writing and preaching. By studying the foundations of theology, readers will be better equipped to serve God’s people in whatever ministry they are called to.

Disciples Together Walton Roger 2015-04-21 Discipleship is one of the key words used in the

churches today and there are many initiatives in the mainstream churches to enable people to grow as disciples of Christ.

#### *Cultivating an Evangelistic Character*

Christopher James Schoon 2018-04-24 This project explores the relationship between worship, discipleship, and evangelism within the missional church movement. Engaging contributions from liturgical theology, Christian ethics, and post-Christendom evangelism, the book proposes a missional approach to worship that, when integrated with a praxis-oriented discipleship, cultivates Jesus' character among God's people. Along the way, the project attends to the Holy Spirit's transformative presence, the liturgical rhythms of remembering and anticipating, and the practices of hospitality and compassion. In the end, *Cultivating an Evangelistic Character* contends that the Spirit works through the integration of worship and discipleship to form God's people. In other words, God's people become evangelistic, or as Newbigin said, "the hermeneutic of the gospel." **A Motley Crew** Sam Warren 2021-01-26 In *A Motley Crew: How Jesus Turned Ordinary Men into Dynamic Disciples*, one is taken on a journey through the teachings of Jesus and Paul as they map out the path for the local church in making disciples who make disciples. One is given not only a view of the mistakes that have been made but hope for a brighter future as they are shown how to return to the original code of the early church in the making of disciples.

**Growing True Disciples** George Barna 2013-03-06 Christ's command to the church is clear: "Go, therefore, and make disciples of all nations..." It is in building disciples--helping others to embrace Jesus Christ as Savior and Lord, mature in him, and then lead others to do the same--that the Kingdom grows. And when the Kingdom grows, churches do, too. In *Growing True Disciples*, respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as discipling. And he

reveals models and examples that will equip churches to dramatically increase their effectiveness. As a result, your church can begin to see more involved members who want to live out their faith in submission to God, and joyfully share their resources to fulfill Christ's commission.

**Authentic Discipleship** Edward Michael Gross 2013-04-16 The book is helpful in 2 ways. A. The believer can and will grow spiritually by taking on the sessions, 1 at a time, to learn what it means to follow Jesus. B. It's a guide to help a disciple-maker take a disciple through it step-by-step, so that they fulfill stages of follow-up and beginning discipleship. The result: someone who has been encouraged in nearly every dimension of spiritual growth.

True Discipleship John Koessler 2003 1  
Making Disciples Through Home Assemblies, Dwight 2022-05-03 Statistics on church growth reveal some startling facts: Overall church attendance in America is declining. The number of those who claim they are done with churches is growing. Those who list "none" as religious affiliation are increasing. After COVID-19, some are reluctant to return to church services in buildings. What if you had a way to make disciples for Jesus in your neighborhood? Is there a way to reach those who have left the churches or who will not go back to a church building? Yes. Making Disciples Through Home Assemblies can show you how. The book is based on the biblical patterns of the first-century disciples who were highly effective in disciple-making in obedience to Jesus' command to make disciples and be His witnesses (Matthew 28:18-20 and Acts 1:8). Studying Acts and other New Testament verses, the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority. The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple-maker for Jesus. Making Disciples Through Home Assemblies contains biblical rationale for home assemblies, material that can be used for training yourself and others to lead a home assembly, and the biblically based study guide for your home assembly meetings is included. The material in this book has been extensively tested for over two years

with audiences of diverse ages, and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States. Now you too can start a home assembly and teach others how to become disciples for Jesus.

### **Youth Ministry Bi-Vocational Survival Guide**

Rick Flann 2016-04-27 Youth Ministry Bi-Vocational Survival Guide is written specifically for the bi-vocational pastor and is chock-full of nuggets of gold. Authors Rick Flann and Chris Pope explain how to manage time well, prioritize effectively and lead in a way that empowers both the bi-vocational pastor and those they lead and care for on a daily basis. The Apostle Paul, a tent maker, was one of the greatest people ever to walk the face of this earth. He knew what his mission was and he was willing to do whatever it took to accomplish the task that God had set before him. Paul was bi-vocational. He proclaimed the Gospel, planted churches and pastored people, yet he never demanded his right to a paycheck from the church (1 Cor 9:12). Maybe you are a modern day tent maker, but unlike the Apostle Paul who always seemed to come out on top as a spiritual super star, you are sinking under the pressures of multiple jobs (both inside and outside of the church), school, family, or countless other obligations that you face each and every day. Take courage and know that you are not alone! The Youth Ministry Bi-Vocational Survival Guide was developed especially with you in mind, to enable you to succeed and still minister effectively to those you are leading.

Church Together Daniel C. Dickard 2022-01-13 Church Together is a Christian leadership book designed to give pastors, church leaders, and church members a working plan to overcome the greatest underlying threat to the church today, individualism, through five relationships of surrender which correlate to the five core values of the Church of We. Part One examines the three rotten fruits of individualism within the Church of Me—consumerism, pragmatism, and the extremes of legalism and liberalism—and how to spot each of these problems. Part Two offers a solution on what it will take for churches to make a healthy transition from the Church of Me to the Church of We. Church Together, for this reason, gives churches a manageable plan

to defy the individualistic spirit of the age as they become the Church of We in the Age of Me. **Cultuur van Eer** Danny Silk 2011-12  
*The Disciple Making Minister* David Servant 2014-04-14 David Servant has been ministering to Christian leaders in conferences around the world for over three decades. From his experience of speaking to tens of thousands of pastors in over forty countries, he has compiled biblical teaching in this book that addresses the most important issues that Christian leaders are facing today. Servant covers topics such as church growth, spiritual warfare, divorce and remarriage, biblical interpretation, house churches, women in ministry, church government, spiritual gifts, evangelism and many more. He often questions the prevailing opinion, always considering what Scripture says. His conclusions may sometimes surprise you. Servant's foundational condition is that every Christian leader should be making disciples who obey all of Christ's commandments. Translated into many languages, *The Disciple-Making Minister* is helping Christian leader around the world be more effective in fulfilling the Great Commission.

*Making Disciples in a World Parish* Paul W. Chilcote 2011-04-01 In this collection of inspirational and challenging essays, Methodists from around the globe reflect on the practice of disciple-making in their own contexts. From their own perspectives, they address questions like: What are the challenges you face? What biblical images shape your missional practice? What examples of Christian authenticity inspire your communities? What gifts related to mission and evangelism do you offer the global community of faith? Churches on every continent have their own stories of struggle and faithfulness. Indeed, each distinct community within any given region has a voice of its own that deserves to be heard. The voices included in this volume belong to women and men alike. Likewise, they resound with the accents of Africa and Asia, Latin and North America, Europe, and Oceania. Each voice is distinct, but all articulate a vision of faith made effective through love. In a world characterized variously by poverty and violence as well as prosperity and peace, the church must reclaim its central mission "to make disciples of Jesus Christ." In

their effort to articulate a vision of mission and evangelism, the contributors to this volume bear witness to the fact that we can no longer do this work in isolation from one another. To be the ambassadors of the gospel, we need each other and we need to pay attention to the voices that sound different from our own. This volume takes a large step in that vital direction.

**Measuring Spiritual Maturity** Randy Tompkins 2019-10-21 Jesus commissioned His apostles""and, by extension, the church""to make disciples. Many church leaders have come to the conclusion that attending worship services and Bible study classes will result in making disciples. A review of statistical reports indicates a majority of church members and attenders do not believe this process will work, or they have come to the conclusion they do not want to become disciples. The 2010 US Religion Census report indicated 79% of the 150,686,156 members, children, and other attenders did not attend worship services. It also reported over 60% of the same group did not attend Bible study classes. In 2014 one of the major denominations in the United States reported 63% of church members did not attend worship services and 62% did not attend Bible study classes. There are literally thousands of spiritual surveys available to church leaders. A majority of these surveys develop conclusions based on a single survey being administered or two surveys being administered several months apart. If a disciple-making process is to be effective, there needs to be a method of measuring the progress of individuals moving toward spiritual maturity. This type of measurement would produce a visual of spiritual growth, spiritual decline, or spiritual non-growth. The only way to measure the spiritual progress of an individual is to create a measurement of the various elements of the spiritual life. The process of measuring spiritual maturity in this book is self-contained within the participating church, and the responses of the participating individuals are highly confidential and warehoused by the participating church.

*Simple Church* Thom S. Rainer 2011-06 Now in paperback, multi-awarded national hit *Simple Church* shares a clear message from case studies of 400 North American congregations: Church is done best when it's kept simple.

*A Biblical Theology of Christian Discipleship*

Johnny Turner 2021-06-11 A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions. The role of the church is to persuade individuals to establish a philosophy of authentic discipleship. This book challenges the church to walk humbly before God as genuine disciples. The primary focus is to carefully follow Christ's mandate of the Great Commission in Matthew 28:18-20, "Go and make disciples." More importantly, the book describes how the church can effectively use different methods and principles to better prepare believers for Christ.

**Disciple Making Is . . .** Dave Earley 2013-08 In brief yet hard-hitting chapters, the entire scope of disciple making is presented here in a way that will inspire and inform you to obey the Great Commission with great passion. The authors share practical insights on how best to reproduce confident reproducers of Christ's message. --from back cover.

**Multiplying Missional Leaders** Mike Breen 2012-01-01

The Missed Mission of The Great Commission A First Century Discipleship Paradigm for the 21st Century George Eberly 2016-12-15 The Missed Mission of the Great Commission is discipleship, or as Jesus puts it: "teaching them to observe all that I have commanded you" (Matthew 28:20). Thousands upon thousands of people have come to a personal relationship with Jesus Christ over the last four decades. Yet during the same period of time, the influence of Christianity on the American society has greatly diminished. There have been many converts but far fewer have become disciples whose lives testify the presence of Jesus. As Pastor Eberly shares about his years of ministry, he calls the church back to a New Testament paradigm of discipleship. He focuses on biblical principles, rather than programs because one size does not fit all. His book also points to practical ways in which these principles can be applied in whatever situation.

**Building a Youth Ministry that Builds Disciples** Duffy Robbins 2012-01-24 While most youth pastors are being regularly evaluated (or even scrutinized) for what they're doing right now in the youth group, the reality is that the most important thing they are doing won't

actually be evident until much later. That's because the biggest challenge for any youth ministry is helping teens embrace a whole-hearted devotion to God that lasts far beyond their years in the youth room. Unfortunately, much of youth ministry seems to be designed on the model of setting teenagers up for a "date" with God—a delightful evening that involves music, laughter, food, and light conversation. But what scripture calls us to is not a "one-night stand" with God, but a lifelong love of God that endures. Youth ministry educator and veteran, Duffy Robbins, offers youth workers a blueprint for building that kind of faith in teenagers. In this concise book, ideal for busy youth workers, they'll be equipped to build a youth ministry that instills that lasting faith in its students.

An Examination of the Theme of Discipleship in The Seven Churches of Revelation Steve L. Roy 2021-09-15 "Go and make disciples." Our command is clear; our mission is given. But what exactly is a disciple and what does discipleship really mean? In *An Examination of the Theme of Discipleship in the Seven Churches of Revelation*, Dr. Steve Roy takes the reader to the book of Revelation and to the specific letters from Jesus Christ himself. These letters help the reader to discover dramatically important conclusions as to what discipleship is and what it means to be a disciple. Through each of the letters to the seven churches, Jesus follows a particular pattern of discipleship and applies it to the specific churches in western Asia Minor. These patterns and instructions are just as relevant for us today as they were when John the Revelator sent them. This book is written for the person who wants to take discipleship seriously and for the pastor who stands before his congregation weekly with the purpose of making disciples.

*The Disciple-Making Church* Bill Hull 2010-06-15 Scripture places high priority on the discipling capacity of the church, This book shows how to accomplish it. Foreword by Howard Ball.

*4 Chair Discipling* Dann Spader 2014-08-01 Dann Spader is a disciple-maker who has spent his adult life exploring what it means to take someone from being a seeker to making disciples themselves. Over 750,000 people in 80 countries have been trained to make disciples

through organizations he has led. Through studying the life of Christ and His disciple-making methods, Dann developed 4 Chair Discipling, a simple picture for others to follow. Jesus' last words on earth had a few very specific instructions: Go, make disciples, baptize, and teach. But what does that mean for us today? Well, it's not easy. But it is simple. Teacher and leader Dann Spader explains disciple-making as a process of moving people through four chairs, from someone seeking to know more about Christ to someone who makes disciples themselves. Chair 1: Come and See (John 1:39) Chair 2: Follow Me (John 1:43) Chair 3: Become a Fisher of Men (Matthew 4:19) Chair 4: Go and Bear Fruit (John 15:16) In the process of His four-year ministry, Jesus realized that different people are at different stages of growth and development, and He works to challenge each of them to the next level. In 4 Chair Discipling, you'll get a clear and simple picture of how to follow in Jesus' footsteps and do the same thing.

**King Jesus and the Beauty of Obedience-Based Discipleship** David Young 2020-07-28  
What does it mean to be a disciple? The call of discipleship is more than programs and Bible study. In King Jesus and the Beauty of Obedience-Based Discipleship, David Young presents a bold call for obedience-based discipleship and argues that it alone is the proper response to the kingship of Jesus. Many have wrongly associated obedience with bad theology, believing that Jesus' demand for obedience is a form of works righteousness or legalism. Others simply don't like obedience and resist the demands Jesus makes in calling us to follow him. But if we surrender to the kingship of Jesus, we will find the life we were designed

to live. We are accustomed to calling Jesus "Savior." And we should. But until recently, many in the Western church have not learned to call Jesus "King." The kingship of Jesus has implications for how we live. We can either rebel against him, raising puppet kings and constructing our own kingdoms, or we can submit to him in obedience-based discipleship. Could it be that you are still sitting on the throne of your life, treating King Jesus as a mere advisor? What would change in your life if you started treating Jesus as nothing short of your King? Young unpacks five principles for those who wish to follow Jesus as King. Surrender to the authority of King Jesus Embrace the mission of King Jesus Live immersed in King Jesus Obey the teachings of King Jesus Behold the presence of King Jesus Following these five steps awakens us to a life truly worth living, a life of power, peace, beauty, and love. This is eternal life, that we would know and follow Jesus as King of the Universe, and king over our lives. After all, you don't merely believe in kings. You obey them.

Awake and Arise the Dying of the American Church Dr. Stan Mars 2019-09-05 The majority of churches in America are either dying or dead. This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13: 34-35 and Matthew 28: 19-20. Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others. You will learn that most churches are not in this business so they do not make any disciples, and importantly, they don't make leaders of disciples. Awake and Arise calls for the reformation of the American Church to begin to do God's church - God's way. If the church will adhere and obey, they will find revival offered by God. If the church continues to refuse, they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ. To the glory of God - let us be humble and pray for forgiveness and move to God for His blessings to begin this journey!

**The Ladder of Faithfulness** D. Michael Henderson 2009-08-01 Followers of Jesus are on a journey of spiritual growth. Their goal is to become more and more like Christ, not only reflecting his character, but doing his work in the world. The process of transformation, from

unbelief to faith and from faith to Christlikeness, takes place (ideally) in the context of a healthy church. That church, as a channel of God's grace, enables faithful disciples to take one step at a time toward spiritual maturity, effective ministry within the church, and useful service to the wider community. Every level on The Ladder of Faithfulness requires a different set of instructional methods. In this book, D. Michael Henderson offers practical advice for making disciples at every stage of spiritual growth. From his experience in American and African churches and colleges, he provides useful tools for equipping Christians in their primary mission: making disciples. D. Michael Henderson helps American and African Christians fulfill the command of Jesus: "Go into all the world and make disciples." He provides materials and training for small group ministries and personal discipleship. He directs a mission called Heart of Africa ([www.heartofafrica.org](http://www.heartofafrica.org)), which supports African ministries with "breakthrough projects." His other books include John Wesley's Class Meeting and Making Disciples, One Conversation at a Time ([www.rafikibooks.com](http://www.rafikibooks.com)). Mike and his wife Martha live in Longwood, Florida, and Friendship, Maine.

DiscipleShift Jim Putman 2013-04-23 Question: What is the God-given purpose of the local church? Answer: Relational discipleship. DiscipleShift walks you through five key "shifts" that churches must make to refocus on the fundamental biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities. Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. While many of these approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers. Through biblical and professional insights, Jim Putman and Bobby Harrington

discuss the transformational effectiveness of making disciples and just how to do so, in practical terms. You'll learn: The specific roles of a disciple-making pastor. The components of person-to-person discipleship. How each ministry in your church leads to discipleship. How to implement discipleship in your church. Disciple-making leaders will not produce perfect churches, but they will create effective churches.

Future Church William Mancini 2020-11-17 Church growth models have often been long on promises and short on disciple-making. We continue to watch consistent church attendance shrink, and our desire to reach the lost is infected with a need for self-validation by growing our numbers at any cost. If we believe that God wants his church to grow, where do we go from here? What is the future of the church? Drawing from his 20 years and 15,000 hours of consulting, author Will Mancini shares with pastors and ministry leaders the single most important insight he has learned about church growth. With plenty of salient stories and based solidly on the disciple-making methods found in Scripture, *Future Church* exposes the church's greatest challenge today, and offers 7 transforming laws of real church growth so that we can faithfully and joyfully fulfill Jesus's Great Commission.

The Priority of Making Disciples Danny Clymer 2020-08-18 Those in the church and ministry are familiar with the Great Commission - the call to go forth and make disciples. However, for many, it isn't that easy in a world increasingly influenced by doubters and distractions. Many

Christian leaders may talk about it, but few really do it. Making disciples isn't a complicated program, but a simple plan that comes only from Jesus. Now a diverse group of pastors, representing urban and rural communities, secular and Christian areas, as well as diverse multicultural backgrounds, and all known for successfully making new disciples, have gathered these sermons to encourage others to be disciple makers too. Discover: How Jesus practiced the Great Commission before He ever preached it Why discipleship begins with a whole-life understanding of worship When disciple-making gets confused with church growth efforts These and countless other insights will help guide you in a faithful, deliberate effort to fulfill the Great Commission - no matter where you live or what communities in which you minister. Included in the book are: The sermon texts and their outline formats. 12 study guides, one for each sermon, that can be used in small group or one-on-one settings in the week following the preaching of the sermon. A final appendix providing a self-evaluation tool that helps each person being discipled to evaluate the progress they are making in their walk with Christ.

**Black United Methodists Preach!** Dr. Jennifer Benjamin Brooks 2012-03-01 What accounts for the spiritual power and vitality of black preaching? Transforming Discipleship Greg Ogden 2016-10-02 Greg Ogden recovers Jesus' method of accomplishing life change by investing in just a few people at a time. In this revised and
