[Onversneden Christendom](#) C.S. Lewis 2021-10-02 In 'Onversneden christendom' legt C.S. Lewis uit wat het hart is van het christelijk geloof. Een klassieker! Er is geen schrijver die zo helder en warm kan uitleggen wat het betekent om christen te zijn als C.S. Lewis. Hij blijft niet steken in een abstracte theologische uiteenzetting, maar maakt het Bijbelse verhaal op een persoonlijke manier tot een prachtig geschenk. Lewis blijft bij de kern van het geloof en hij verliest zich niet in details en morele kwesties. Wie toe is aan een verfrissing en verdieping van zijn of haar geloofsleven kan nog steeds het best bij C.S. Lewis terecht.

Sermon Sparks Thomas H. Troeger 2011-11-01 A working pastor is always looking for fresh preaching perspectives. This hands-on resource from the author of a long-standing column in the journal *Lectionary Homiletics* covers the entire three-year lectionary cycle with brief reflections designed to generate fresh and timely sermon ideas. Each reflection is limited to two pages and provides an interpretation of one or more lections for every month of the year. While some focus on a single lection, others draw forth a theological/pastoral theme that stretches across several lections, suggesting how to approach an entire month homiletically.

Catching the Wind of the Spirit Sunder Krishnan 2010-08-31 In *Catching the Wind of the Spirit*, Rev. Krishnan explores eight spiritual disciplines—the sails that we must hoist if we are to catch the wind of the Spirit: Worship, Scripture meditation, Study, Prayer, Confession, Fellowship, Service and Giving. "The Holy Spirit is much the same as the wind and the sailboat," says Rev. Sunder Krishnan. It is the Spirit of God who performs the vital work of transforming each of us into the image of our Savior and Lord. But in order to be effectively steered and directed by the Spirit, we must embrace the spiritual disciplines that will help us gradually and progressively be transformed into the image of Christ. Each chapter includes questions for individual or group study.

Paul's Lifesong of Joy and Unity Sharon I. Gresham 2012-09-05 When Paul and Silas were in prison in Philippi, they burst into singing. Paul looked at life with a joyful song. He found delight when believers lived in harmony. The theme of this Bible study is Paul's Life-Song. Hear his song in the letter he wrote to Philippi, even while in another prison. Some strains explode with joy, while other stanzas carry a minor melody to encourage or warn the people he loved. Study his messages and learn how to apply Paul's attitudes regardless of his circumstances. This Bible study is rich with insights into the Hebrew and Greek and covers themes Paul brings from the Old Testament or other New Testament teachings. Dive deeper into those themes by taking important excursions into the background of the topics. This in-depth verse-by-verse investigation is valuable for individuals or groups. Enjoy the commentary while completing the workbook and applying the messages to everyday situations. Determine your timeframe for the study as you discover what the Lord Jesus wants to do in your life through Paul. I've had the privilege of knowing Sharon Gresham as a teacher/speaker for many years and now as a writer. Her commitment to in-depth study and application of the Bible is refreshing. The Philippians study equips the pastor/teacher with a resource much needed in the church today. I am excited to teach this study both in our church and as we minister internationally. Darrel Auvenshine, pastor of Southside City Church, Fort Worth, Texas With a gift for accurately communicating God's Word in a relevant and personal way, Sharon Gresham's in-depth study of Philippians will delight and thrill any serious student of the Scriptures. I highly recommend it! Scott Whitson, director of missions, Southwest Metroplex Baptist Association and former missionary to Tanzania

Towards Friendship-Shaped Communities: A Practical Theology of Friendship Anne-Marie Ellithorpe 2022-04-11 A unique and incisive exploration of the place and nature of friendship in both its personal and civic dimensions In *Towards Friendship-Shaped Communities: A Practical Theology of Friendship*, distinguished theological researcher Anne-Marie Ellithorpe delivers a constructive and insightful exploration of the place and nature of friendship as innate to being human, to the human vocation, and to life within the broader community. Of particular interest to members and leaders of faith communities, this book responds to contemporary concerns regarding relationality and offers a comprehensive theology of friendship. The author provides an inclusive and interdisciplinary study that brings previous traditions and texts into dialogue with contemporary contexts and concerns, including examples from Indigenous and Euro-Western cultures. Readers will reflect on the theology of friendship and the interrelationship between friendship and community, think critically about their own social and theological imagination, and develop an integrative approach to theological reflection that draws on Don Browning's *Fundamental Practical Theology*. Integrating philosophical, anthropological, and theological perspectives on the study of friendship, this book presents: A thorough introduction to contemporary questions on friendship and discussions of co-existing friendship worlds Comprehensive explorations of friendship in first and second testament writings, as well as friendship within classical and Christian traditions Practical discussions of theology, friendship, and the social imagination, including explorations of mutuality and spirit-shaped friendships Considerations for outworking friendship ideals within communities of practice, from the perspective of strategic (or fully) practical theology Perfect for graduate and advanced undergraduate students taking courses on friendship or practical theology, *Towards Friendship-Shaped Communities: A Practical Theology of Friendship* will also earn a place in the libraries of scholars of practical theology and community practitioners, including ministers, priests, pastors, spiritual advisors, and counselors.

There Once Was a Crooked Lady Patricia J. Fitzpatrick 2008-10-01 This book is a compilation of thoughts put down on paper in an effort to encourage the pilgrim to push forward on his/her journey Home. It is a combination of personal experiences, conversations, and observations of this pilgrim, who has been bent and broken, but carries on because I can do all things through Christ Who strengthens me. Patricia Fitzpatrick is a woman who loves her God and her family. Being afflicted with Rheumatoid Arthritis since age 3, Patricia has learned to overcome many obstacles in life, physical and spiritual. Being disabled, sometimes frustration would come over Patricia when there was a work to be done, yet physical limitations keep her from participating. Some years ago Patricia began to write down some thoughts as a form of meditation and study. These written pieces were shared with friends and family. Now, Patricia hopes to share her deep love for God with others through this book.

[The Epistle to the Romans](#) Jan Wells 2003-09-01 This inductive Bible study focuses on a message for the early Christian church in the city of Rome, carefully examining the apostle Paul's concerns for believers. This in-depth 23-week study takes a close look at the theology presented by Paul and investigates the practical guidelines for those who are in a relationship with Christ.

Het Communistisch Manifest Karl Marx 2017-12-02 In 1848 publiceerden de Duits joodse filosoof Karl Marx en de Duitse industrieel Friedrich Engels het communistisch manifest. Het was een kort en krachtig politiek meesterwerk dat geschreven werd aan de vooravond van vele diep ingrijpende revolutionaire gebeurtenissen in grote delen van Europa en de rest van de wereld. Zonder twijfel is het een van de meest besproken, geciteerde, bewonderde, maar ook invloedrijkste teksten van de voorbije eeuw, naast het communistisch manifest schreven ze ook een groot aantal andere boeken, waarin ze hun theorie en opvattingen uitwerkten tot een alles omvatende wereldvisie: het kapitalisme zal als maatschappijvorm onvermijdelijk vervangen worden door een nieuwe, zonder onderdrukking en maatschappelijk onrecht schrijft Marx waarin de vrije ontwikkeling van ieder de voorwaarden is voor de vrije ontwikkeling van allen, ze kondigden onder andere een onvermijdelijke klassenstrijd aan tussen de bourgeoisie en de proletariats. geen ander boek zou zoveel beslissende invloed uitoefenen op de sociale en politieke ontwikkelingen van de opvolgende 150 jaar en niemand kan ontkennen dat het manifest van de communistische partij een van de zeldzame werken is die een vooraanstaande plaats inneemt in zowel de wereldgeschiedenis als de wereldliteratuur

Paul and the Stoics Troels Engberg-Pedersen 2000-04-13 Dr. Engberg-Pedersen shows how a range of problems encountered in twentieth-century interpretation of three major Pauline letters (Philippians, Galatians, Romans) may be overcome by reading the epistles in the light of ancient Stoic ethics. He discusses literary, conceptual and theological issues: for example, the unity and purpose of the letters; the relationship in the letters between theology and ethics; the logical character and shape of Pauline exhortation; the relationship in Paul between cognition and participation; the meaning of righteousness from faith; Paul's handling of the Jewish law. The author illuminates the central core of Paul's thought by applying the Stoic perspective, and argues that scholars must move beyond the traditional Judaism/Hellenism divide to reach a comprehensive and accurate reading of Paul's letters.

Sermon Notes Larry W. Ellis 2009-06-03 Bible study is made easier when we have a place to start! What do I study today? What do I preach or teach next week? In this volume there is a study outline for each week for three years. It can be used both inductively and deductively. The author spent hours mining each text. The outline represents the "gist" of the message or lesson presented to a "live" congregation. Outlines cover both Old and New Testament. If desired, full manuscripts and compact discs are available for further study as well as a volume of written sermons. The reader will discover that each lesson holds spiritual treasure on most any subject in Scripture.

Romans Hope of the Nations Practical Christianity Foundation 2020-08-08 Hope of the nations The book of Romans is a masterpiece of Christian doctrine through which the apostle Paul explores many fundamentals of the Christian faith. In this letter, Paul, the servant of Jesus Christ, affirms the reality of humanity's fallen condition and God's divine provision for redemption. Through this letter originally addressed to the believers in ancient Rome, we today can peer into the clouded mirror of divine grace and glimpse the plan of redemption as sovereignly designed by the Master Potter through the life, death, and resurrection of His Son, our Lord Jesus Christ.
