Chosen Tales Peninnah Schram 1995-07-01 The storytellers represented in Chosen Tales are among the most active and talented Jewish storytellers in the world. This extraordinary collection of 68 stories is, in a way, a Jewish storytelling festival, where storytellers gather to share stories, hear each other's stories, and get to know each other better through the stories that are told. Come and experience the magic of the oral tradition. Read and retell these stories again and again so that you too can shape the destiny of the timeless tradition of Jewish storytelling. **The Healing Heart for Communities** Allison M. Cox 2009-03-01 The Healing Heart provides powerful examples of the use of stories and storytelling in encouraging resiliency, empathy, respect, and healing. These engaging books contain stories, and narratives about the use of the stories in activities with different populations (children, teens, those with disabilities, seniors, inmates, etc.) or which address specific social or community problems (addictions, poverty, violence, racism, environmental degradation, homelessness, abuse). The books are a collective effort containing the expertise of more than 60 storytellers and health professionals who illustrate the power of story in moving others to commitment and action, in building self-esteem and mutual respect. The Healing Heart ~ Families focuses on families, dealing specifically with healing through story, health promotion, disease prevention, early childhood intervention, children with medical problems, adopting families, schools, sexual identities, grief, and spiritual healing. The Healing Heart ~ Communities focuses on community-building, with sections on youth, violence prevention, poverty, domestic violence, substance abuse and addiction, racism, elders, culture, environmental protection, homelessness, and community development. Allison Cox is a therapist and Prevention Specialist, in Tacoma, Washington, with 20 years experience as a professional storyteller, and is a founder of the Healing Story Alliance—part of the National Storytelling Network. David Albert is a storyteller, writer, and Senior Planner and Policy Analyst with the Washington State Division of Alcohol and Substance Abuse, and a contributor to *Spinning Tales, Weaving Hope* (New Society, 2002). [Children, Adults, and Shared Responsibilities](#) Marcia J. Bunge 2012-09-27 This collection of essays by Jewish, Christian, and Muslim scholars underscores the significance of sustained and serious ethical, inter-religious, and interdisciplinary reflection on children. Essays in the first half of the volume discuss fundamental beliefs and practices within the religious traditions of Judaism, Christianity and Islam regarding children, adult obligations to them, and a child's own obligations to others. The second half of the volume focuses on selected contemporary challenges regarding children and faithful responses to them. Marcia J. Bunge brings together scholars from various disciplines and diverse strands within these three religious traditions, representing several views on essential questions about the nature and status of children and adult-child relationships and responsibilities. The volume not only contributes to intellectual inquiry regarding children in the specific areas of ethics, religious studies, children's rights, and childhood studies, but also provides resources for child advocates, religious leaders, educators, and those engaged in inter-religious dialogue.

The Way Into Jewish Mystical Tradition Lawrence A. Hoffman 2001 A highly accessible introduction to the Kabbalah explores the meaning of Jewish mysticism and places it in the context of modern Judaism. Original. \$15,000 ad/promo.

Storytelling and Spirituality in Judaism Yitzhak Buxbaum 1994-09-01 'The purpose of this book is to elevate stories and storytelling in people's esteem, so they will understand their holiness and appreciate them at their full worth. There are those who enjoy stories and storytelling but in the back of their minds think, 'After all, they're only stories.' **Judaism II** Michael Tilly 2021-02-10 Judaism, the oldest of the Abrahamic religions, is one of the pillars of modern civilization. A collective of internationally renowned experts cooperated in a singular academic enterprise to portray Judaism from its transformation as a Temple cult to its broad contemporary varieties. In three volumes the long-running book series "Die Religionen der Menschheit" (Religions of Humanity) presents for the first time a complete and compelling view on Jewish life now and then - a fascinating portrait of the Jewish people with its ability to adapt itself to most different cultural settings, always maintaining its strong and unique identity. Volume II presents Jewish literature and thinking: the Jewish Bible; Hellenistic, Tannaitic, Amoraic and Gaonic literature to medieval and modern genres. Chapters on mysticism, Piyut, Liturgy and Prayer complete the volume.

[Messages of the Chofetz Chaim](#) Marvin Bash 2006 This fascinating translation of a heretofore unknown Yiddish work offers new insights into the ethical teachings of the great rabbi, The Chofetz Chaim. Originally compiled in Yiddish by Rabbi Shmuel Greiniman, this translation contains 100 intriguing stories and parables based upon the Chofetz Chaim's enduring Torah lessons and their application to modern Jewish life. Advanced Praise for Messages of the Chofetz Chaim "The Chofetz Chaim, one of our people's giants, is renowned for both his words and his deeds. One generation ago, both were made available in a book to the Yiddish speaking public. Due to Rabbi Dr. Marvin Bash's marvelous translation, the English speaking public of this generation can get to know and learn from a "giant" who was truly "a man for all seasons." -Rabbi Mitchell Wohlberg, Beth Tfiloh Congregation, Baltimore, MD. "Marvin Bash has made the stories of Rabbi Israel Meir Ha-Cohen Kagan (The Chofetz Chaim) available and accessible to those who do not understand Yiddish. In so doing, he has opened an important window into a life controlled by a powerful and all-encompassing faith in G-d that was committed to the best of the values of Judaism. This sage and his tales continue to inspire all who encounter them.

Despite their setting in a world that is no more, their message is as timely today as it was when they were first told." -Rabbi Barry Freundel, Keshet Israel Congregation, Washington DC "At a time when there is great interest in spirituality, the translator-messenger, Rabbi Bash, has here faithfully transmitted moving examples of a unique, life-centered spirituality, as told by a traditional sage blessed with special sensitivities and ethical concern." -Dr. Max D. Ticktin, Professor of Jewish Studies and Yiddish Literature, George Washington University **Spiritual Growth** Paul Steinberg 2018-09-30 This book began with Paul Steinberg's realization that although religions are struggling to meet the needs and trends of our modern age, spirituality is not. Its contemporary manifestations continue to thrive, and Jews can be found throughout all varieties of spiritual leadership in America. Facing the fact that, for whatever reason, Jewish leaders simply have not done a good job of translating the ancient, spiritual wisdom of their beliefs into contemporary language and images that resonate with mass appeal, Rabbi Steinberg knew that the faith of his fathers was ready for a new spiritual message. And so he has written it—a message that is both particular to Judaism and uses Jewish language and text as starting points for a view that is universal enough to include spiritual concepts, terms, and expressions from many other spiritual traditions. *Spiritual Growth: A Contemporary Jewish Approach* provides both a language and a set of Jewish spiritual principles that are accessible and integrated with contemporary life, as well as being deep and authentically real (i.e., not “dumbed down” for anyone). It is a work that emerged out of Rabbi Steinberg's own personal experiences, pains, and spiritual journey—the trials and growth documented in his highly successful book *Recovery*, the 12 Steps, and *Jewish Spirituality*. There are not a lot of works like this. There are books on Jewish scholarship, history, and theology. But books on Jewish spirituality tend usually to focus on a particular motif, such as the feminine, grief, aging, or Kabbalistic biblical interpretations. *Spiritual Growth: A Contemporary Jewish Approach* presents its message through the psycho-spiritual world view of 2018 but without the language and narrative of a therapist. It is an important contribution to the spiritual-seeking community at large, to Jews who have become alienated from their faith, and to anyone interested in learning more about what a historically vibrant spirituality can bring to today's troubled world.

Dancing on the Edge of the World Miriyam Glazer 2000 What does it mean to be Jewish? What are the struggles and joys Jewish people face? Through personal memoirs, inspiring fictions, and moving fables, this collection of ancient and contemporary stories provides a sparkling glimpse into the Jewish spirit that has been "dancing on the edge of the world" for two thousand years.

Consider No Evil Brandon G. Withrow 2014-07-10 Even casual acquaintances of the Bible know that the Truth shall set you free, but in the pursuit of that Truth in higher education--particularly in Christian or Jewish seminaries--there are often many casualties suffered along the way. What happens when faculty and students at religious academies butt heads with senior staff or dare to question dogmas or sacred cows that the institution cherishes? *Consider No Evil* examines seminaries affiliated with two faith traditions--Christian and Jewish--and explores the challenges, as well as prospective solutions, confronting those religious academies when they grapple with staying true to their traditions, as they interpret them, while providing an arena that incubates honest and serious scholarship.

The Light and Fire of the Baal Shem Tov Yitzhak Buxbaum 2006-09-05 This is a life, in stories, of Rabbi Israel Baal Shem Tov (1700-1760), the founder of Hasidism. The Baal Shem Tov, or the Besht, as he is commonly called, led a revival in Judaism that put love and joy at the center of religious life and championed the piety of the common folk against the rabbinic establishment. He has been recognized as one of the greatest teachers in Jewish history, and much of what is alive and vibrant in Judaism today, in all denominations, derives from his inspiration. Abraham Joshua Heschel, who was descended from several illustrious Hasidic dynasties, wrote: "The Baal Shem Tov brought heaven to earth. He and his disciples, the Hasidim, banished melancholy from the soul and uncovered the ineffable delight of being a Jew.">

Contemporary American Judaism Dana Evan Kaplan 2011 No longer controlled by a handful of institutional leaders based in remote headquarters and rabbinical seminaries, American Judaism is being transformed by the spiritual decisions of tens of thousands of Jews living all over the United States. A pulpit rabbi and himself an American Jew, Dana Evan Kaplan follows this religious individualism from its postwar suburban roots to the hippie revolution of the 1960s and the multiple postmodern identities of today. From Hebrew tattooing to Jewish Buddhist meditation, Kaplan describes the remaking of historical tradition in ways that channel multiple ethnic and national identities. While pessimists worry about the vanishing American Jew, Kaplan focuses on creative responses to contemporary spiritual trends that have made a Jewish religious renaissance possible. He believes that the reorientation of American Judaism has been a "bottom up" process, resisted by elites who have reluctantly responded to the demands of the "spiritual marketplace." The American Jewish denominational structure is therefore weakening at the same time that religious experimentation is rising, leading to the innovative approaches supplanting existing institutions. The result is an exciting transformation of what it means to be a religious American Jew in the twenty-first century.

Finding a Spiritual Home Sid Schwarz 2000-03-24 The author offers a penetrating analysis of the American Jewish community, challenging American synagogues to respond to a generation of seekers and the satisfy the spiritual hunger of the "New American Jew."

[Jewish Tales of Mystic Joy](#) Yitzhak Buxbaum 2002-11-08 *Jewish Tales of Mystic Joy* reveals the happiness that awaits us if we strive for real spirituality. The stories are about pious rabbis and humble tailors, about dancing, singing, laughing, and crying, but their common denominator is always joyous ecstasy. Drawing us into a world of devotion, the tales allow us to taste the bliss that comes from a life lived from the very center of one's self. Each story comes alive in joy and produces a "holy shiver" that speaks to the soul.

Jewish Tales of Holy Women Yitzhak Buxbaum 2002-11-08 What is a "holy woman," or a holy man for that matter? According to the Jewish mystics, a holy person is someone who has not lost the holiness that every baby is born with. A holy person is someone who fulfills it. Stories about Jewish holy women have rarely been collected in such an engaging and

entertaining form. The tales display a specifically female Jewish spirituality, giving us a peek into a world of devotional beauty that focuses on kindness. These stories of laughter and tears, humility and bravery, striving and trance, have an appeal spanning the denominational spectrum: they are spiritual nourishment for the soul. The rabbis say there are both male and female angels and angels are on earth as well as in heaven. These tales enhance our appreciation of the female angels on earth.

Teaching about God and Spirituality Roberta Louis Goodman 2002 The ultimate source book on God spirituality and how to teach both.

The Book of Words Lawrence Kushner 1993 In the incomparable manner of his award-winning "The Book of Letters: A Mystical Alphabet", Kushner now lifts up and shakes the dust off 30 primary religious words used to describe the spiritual dimension of our lives.

Amazing Chesed Rami Shapiro 2012-11-01 The question isn't whether grace is there for you in Judaism. The question is, do you have the courage to accept it? "Chesed isn't a reward; it is reality. God's grace isn't limited to what we want to happen or might like to happen. God's grace is what is happening whether we like it or not. In short, God's grace is the giving of all to all." --from the Introduction Ask almost any Jew whether grace is a central concept in Judaism and an essential element in living Jewishly and, chances are, their answer will be "no." But that's the wrong answer. This fascinating foray into God's love freely given offers you--regardless of your level of Jewish involvement--a way to answer that question in the affirmative. Drawing from ancient and contemporary, traditional and non-traditional Jewish wisdom, this book reclaims the idea of grace in Judaism in three ways: It offers a view of God that helps you understand what grace is, why grace is, and how grace manifests in the world. It sets forth a reading of Judaism that is grace-filled: an understanding of creation, Shabbat and other Jewish practices from a grace-filled perspective. It challenges you to be embraced and transformed by grace, and to live life as a vehicle for God's grace, thereby fulfilling the promise of being created in God's image and likeness.

Social Work and Spirituality Ian Mathews 2009-06-24 Social work in modern society requires practitioners to be culturally and spiritually sensitive. This book explores the often challenging relationships between spirituality, religion and social work. It considers the skills, knowledge and values that are required to incorporate a spiritual awareness into social work practice and in doing so explores in greater depth the social worker/service user relationship. By using case studies, reflective exercises and other learning features, students will begin to appreciate and understand the importance of a spiritually sensitive approach to their social work practice.

Jewish Mothers Tell Their Stories Rachel J Siegel 2014-06-03 Winner of the Women in Psychology Jewish Caucus Award for 2000! Jewish Mothers Tell Their Stories: Acts of Love and Courage contains touching and personal essays written by contemporary Jewish mothers from different parts of the globe. Their stories reveal the choices that Jewish mothers make in our post-Holocaust, non-Jewish world--the many ways of being Jewish, the acts of loving, of preserving and celebrating Jewish traditions and spirituality, and of transmitting them to their children and families. The firsthand stories in this compelling book raises questions and provides you with insight into a variety of topics, including: The 'Jewish mother'stereotype and its impact on real Jewish mothers ethnic/historical connections between mothers and daughters moving acts of love, courage, and sacrifice in response to illness, war, or conflicting ideologies motherhood as a catalyst for personal evolutions of Jewish identity and values Orthodox to secular expressions of spirituality The impact of the 'Jewish motherhood imperative' positive experiences of conversion and interfaith families conveying Jewish history and tradition in a Christian world Jewish Mothers Tell Their Stories will draw you into an appreciation of the cultural, ethnic, and spiritual aspects of mothering. This remarkable collection explores the different meanings of today's concept of "Jewish mother" and "Jewish family."

The Soul of the Story David Zeller 2006 Shares stories about the part each teacher played in integrating mind and heart, body and soul, psychology and religion, west and east, matter and spirit, theory and experience, and how each teaching became the stepping stone to reclaiming his own spiritual tradition. \$15,000 first printing.

Creating a Judaism Without Religion S. Daniel Breslauer 2001 This book examines how some modern and contemporary Jewish thinkers and writers have imagined a Judaism without the boundaries and restrictions that go by the name of "religion." The book offers scholarly insights into some Jewish thinkers-notably Martin Buber and Eugene Borowitz, some Jewish writers-in particular the poet Hayyim Nahman Bialik and the Yiddish author I.L. Peretz. The study also introduces more contemporary thinkers and writers such as the postmodernist Jacques Derrida, the contemporary Israeli novelist David Grossman, and the young Israeli poet Ilan Sheinfeld. While of scholarly interest, the ten chapter work has more general appeal as a way of conceiving Jewish living outside the restrictions of religion. One third of the book suggests a way of looking at God and theology as part of the process of living rather than as fixed realities. Another third explores how Jewish culture can be liberated from the restrictions of nationalism and parochialism. The final third focuses on a postmodern ethics of the self that emerges from face to face meetings with others. The author contends that the future Judaism has created will be pluralistic, diverse, and oriented toward the future.

Children's Perceptions of the Role of Biblical Narratives in Their Spiritual Formation Annie George 2017-02-28 In the Bible, storytelling is an important means to pass on the revelation of God. God repeatedly commanded the people of Israel to tell his mighty acts to the next generation. Invariably churches follow this mandate and use biblical narratives as a means to transmit God's self-revelation to enable transformation. The author, Dr Annie George, listens to the voices of children in order to understand their perceptions of how storytelling of biblical narratives help them in their spiritual formation. Dr George's research highlights the importance of evaluating the impact of biblical narratives from a child's perspective as well as emphasising the need to give the same priority to the spiritual transformation of children as with other areas of study and ministry.

Our Lives As Torah Carol Ochs 2002-02-28 In this powerful book, Carol Ochs shows us how to develop a personal theology by examining our life stories, learning to recognize God at work in them, and bringing them into conversation with Torah. Using timeless biblical texts as lenses to see the present, she helps us understand who we are and who God is for us by exploring the tightly interwoven basic elements of our lives--our love, suffering, work, bodies, prayer, community, and experiences of death. Through the process of seeing our experiences in relation to biblical stories, we begin to recognize our lives as part of the ongoing story of the Jewish people--as Torah. This insight allows us to see these experiences as meaningful, not accidental, and opens us to recognizing God's power in and through all that happens to us. Rather than a collection of random events, our lives are part of the Jewish people's ongoing adventure. Armed with our personally shaped theology, we can face this adventure of living in the vanguard of history with awareness and confidence.

Imagining Holiness Justin Jaron Lewis 2009 Hasidic tales are often read as charming expressions of Jewish spirituality. This title offers a radical reappraisal of how we think of Hasidic tales, calling into question received notions of

authenticity. It focuses on the neglected Hasidic literature of the early 20th century - primarily the work of Israel Berger and Abraham Hayim Michelson.

The Shema in the Mezuzah Sandy Eisenberg Sasso 2012 Grandma tells Annie a story to explain how, a long time ago, a wise rabbi settled an argument between two groups of townspeople who could not agree on how to hang a mezuzah.

Nurturing Child and Adolescent Spirituality Karen-Marie Yust 2006 Nurturing Child and Adolescent Spirituality: Perspectives from the World's Religious Traditions provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence. Featuring essays from thinkers representing the world's major religious traditions, the book introduces new voices, challenges assumptions, raises new questions, and broadens the base of knowledge and investment in this important domain of life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the religious traditions to find their voices. Nurturing Child and Adolescent Spirituality is firmly grounded in the language and priorities of religious studies, and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world. Nurturing Child and Adolescent Spirituality will set the stage for new waves of scholarship and dialogue within and across traditions, disciplines, and cultures that will enrich understanding and strengthen how the world's religious traditions, and others, understand and cultivate the spiritual lives of children and adolescents around the globe.

Matzoh Ball Soup Joshua Kramer 2004 Matzoh Ball Soup is a distinctive collection of personal stories, poems, and rabbinical sermons that inspires the Jewish spirit. This collaboration of many impressive figures has resulted in a heartfelt and poignant anthology that is rich in both quality and content. The selections in Matzoh Ball Soup have been collected as a way to help individuals understand many of life's important lessons through the Jewish perspective. The writings are divided into eight chapters that are based on identifiable Jewish topics such as Shabbat, Hanukkah, Family, High Holidays, and others. Individually, these stories evoke strong emotion; collectively, they maintain the common thread of an uplifting and positive spirit. These accounts speak to people of all ages, and allow the reader to gain a new understanding of Jewish heritage, culture and spirituality. Ultimately, Matzoh Ball Soup is about people living life, and enduring through all that life has to offer.

Rabbinic Stories Jeffrey L. Rubenstein 2002 Stories from the main works of classical rabbinic literature, which were produced by Jewish sages in either Hebrew or Aramaic, between 200 and 600 CE.

Reform Judaism for the Rest of Us Alexander Maller 2012-08 Reform Judaism has been tested by the spiritual torments and ideological upheavals of the last two centuries. Now, "Reform Judaism for the Rest of Us" brings into discussion key tenets and opinions that shape current thinking within the faith and introduces ideas for its future development. Author Alexander Maller believes that the core message of Reform Judaism, a modern faith inspired by the Jewish heritage and the Jewish and American Enlightenment, is entering a new phase in its history. Free from the defunct extremist ideologies of the last centuries, American Reform Judaism can expand its reach into the new millennium if it strengthens its grassroots appeal to be of, by, and for the Reform congregants. It must also have a strong Jewish divine faith orientation, be open-minded to the realities of modern living, bear a deep love of Zion, and uphold a strong defense of the Constitution. The arguments brought forth in this study stem from the author's position as a lay congregant. They also arise from the fact that he is a participant in and an observer of the continuous dialogue between rank-and-file congregants and clergy, as well as among congregations and various denominations of faith. "Reform Judaism for the Rest of Us" encourages congregants to adopt a sustainable, modern, deity-based orientation inspired by Jewish heritage and the American spirit.

Nectar #10 Babaji Bob Kindler 2003-01-31 Islam, Vedanta, Yoga, Zen, Tibetan Buddhism, Christianity, Judaism – one finds all these and more represented in Nectar of Nondual Truth. And never mind that there are points of difference with regard to practice and approach. You will find a nearly unanimous agreement around the Essence. On the cover, in the scriptural quote for this issue, we find the rishis of ancient India referring to this nondual Reality in terms of "something hidden." It is indicated by religious traditions as the Pearl of Great Price, the White Dove Ascending, the Bourne of Freedom from Fear, the Ultimate Quest and other expressions which indicate both the beauty of and the difficulty involved in finding this Treasure, and infer the huge amount of self-effort that will have to be undertaken to succeed in this most excellent endeavor. But purity, practice, patience and perseverance – what can stymie the aspiring soul who approaches Divine Reality with such resolve? If one wants to see patina exude from a copper penny, one places it in a damp atmosphere and watches for days, weeks, even months, until that green substance finally issues forth. What a huge amount of work and effort is involved in gaining a few drops sesame oil from hundreds of seeds! Reality is "hidden," then. Nature is Its sporting-ground, the universe Its Cosmic Mind, thought-force is Its power to create, revealed scripture is Its revelation, and forms and objects are solid reminders of both Its power to create and Its transcendent and unlimited nature. Yet, all of these are reflections, are insentient material principles. The one Spirit, though It pervades them, is independent of them, and they all get their existence and their ability to shine with reflected light from That. It is Svarupa, to quote the ancients, Essential Being, and everything, everyone else, is Svarupavishranti – always resting in this one essential Being.

Jewish Tales of Reincarnation Yonassan Gershom 1999-01-01 Scattered throughout many kabbalistic and Hasidic texts are numerous teaching stories with reincarnation as their central theme. In order to make the classical stories understandable to the modern reader, each tale has been expanded to include clear explanations of cultural and religious details. Both classical and contemporary tales are included here, from sources as widely varied as kabbalistic texts, folklore anthologies, and discussion on the Internet. Of special interest are several new tales collected by the author himself, which have never before appeared in print.

Elie Wiesel and the Art of Storytelling Rosemary Horowitz 2014-11-01 Elie Wiesel is a master storyteller with the ability to use storytelling as a form of activism. From his landmark memoir Night to his novels and numerous retellings of Hasidic legends, Wiesel's literature emphasizes storytelling, and he frequently refers to himself as a storyteller rather than an author or historian. In this work, essays examine Wiesel's roots in Jewish storytelling traditions; influences from religious, folk, and secular sources; education; Yiddish background; Holocaust experience; and writing style. Emphasized throughout is Wiesel's use of multiple sources in an effort to reach diverse audiences.
