Divorce Salman Akhtar 2016-12-07 A valuable resource for clinicians, Divorce: Emotional Impact and Therapeutic Interventions demonstrates how therapists and patients can work through a divorce to yield deeper insights into the self, greater tolerance of one's own limitations, and lay the groundwork for contentment with a future partner.

Coordinazione genitoriale. Una guida pratica per i professionisti del diritto di famiglia Debra K. Carter 2014-04-30T00:00:00+02:00 1305.193

Surviving Divorce, Fourth Edition Pamela Weintraub 2014-03-04 Beginning with cautionary advice and enabling the reader to be sure divorce is the right answer, the book moves right to the steps one should take before confronting one's spouse with the decision. The book then moves on to cover the following along with many other topics: - 21 strategic steps to planning for divorce. - The things one needs to do when the decision to divorce is made. - How to divorce in the least expensive and most expeditious way. - What to look for in and what to ask of one's legal representative. - How to avoid all-out warfare. - Breaking the news to one's children. - Custody and visitation. - Single parenting. - Dealing with emotions. *Michigan Law Review* 2014

A Politically Incorrect Feminist Phyllis Chesler 2018-08-28 A powerful and revealing memoir about the pioneers of modern-day feminism Phyllis Chesler was a pioneer of Second Wave Feminism. Chesler and the women who came out swinging between 1972-1975 integrated the want ads, brought class action lawsuits on behalf of economic discrimination, opened rape crisis lines and shelters for battered women, held marches and sit-ins for abortion and equal rights, famously took over offices and buildings, and pioneered high profile Speak-outs. They began the first-ever national and international public conversations about birth control and abortion, sexual harassment, violence against women, female orgasm, and a woman's right to kill in self-defense. Now, Chesler has juicy stories to tell. The feminist movement has changed over the years, but Chesler knew some of its first pioneers, including Gloria Steinem, Kate Millett, Flo Kennedy, and Andrea Dworkin. These women were fierce forces of nature, smoldering figures of sin and soul, rock stars and action heroes in real life. Some had been viewed as whores, witches, and madwomen, but were changing the world and becoming major players in history. In *A Politically Incorrect Feminist*, Chesler gets chatty while introducing the reader to some of feminism's major players and world-changers.

De ongeneeslijke romanticus Frank Tallis 2018-06-15 In 'De ongeneeslijke romanticus' doet befaamd en ervaren psychotherapeut Frank Tallis verslag van de ziekten die liefde kan voortbrengen. Liefde maakt en breekt ons, iedereen kent liefde, iedereen wil liefde, iedereen wordt wel eens verliefd, iedereen kent het verlies van liefde. En als er iets grondig misgaat in de liefde kunnen de consequenties verschrikkelijk zijn. Liefdesverdriet en onbeantwoorde liefde zijn immers geen triviale problemen. Tallis heeft tal van verschillende mensen in therapie gehad – van aristocraten, multimiljonairs en filmsterren, tot buschauffeurs en mensen die in schrijnende armoede leven. Grote geleerdheid, rijkdom en status brengen geen soelaas; liefde is de grote gelijkmaker.

Responding to Domestic Violence Eve S Buzawa 2011-01-20 This new edition of the authors' best-selling text explores the response to domestic violence today, not only by the criminal justice system, but also by social service and health care agencies. After providing a brief theoretical overview of the causes of domestic violence and its prevalence in our society and its causes, the authors cover such key topics as barriers to intervention, variations in arrest practices, the role of state and federal legislation, and case prosecution. Focusing on both victims and offenders, the book includes unique chapters on models for judicial intervention, domestic violence and health, and children and domestic violence. **Gender and Domestic Violence** Brenda Russell 2022 "Physical, psychological, and sexual abuse among intimate partners, commonly known as domestic violence, but more recently as intimate partner violence or IPV, is a significant social and public health problem in the United States and worldwide. IPV had long been considered private by law enforcement, rarely investigated by social science researchers, and poorly understood by mental health professionals. In the 1980s, a series of well-publicized court cases, such as *Thurman v. City of Torrington* (1985), brought to light the grossly inadequate law enforcement response at the time, which allowed repeat offenders to avoid prosecution while their partners continued to be victimized, often fatally. In response, a grassroots victim advocacy movement established shelter and other services for victims while lobbying state legislatures across the United States, and subsequently to Canada, the U.K., and other nations, to enact new laws that would hold offenders accountable (Buzawa & Buzawa, 2002; Russell, 2010)"--

I Want Out Sean Collinson 2013-02 We do not see things as they are, we see things as we are. When you change your perception, you change your results., Custody, and Child Support Sometimes life can take turns which we are unprepared for. Divorce is one of those detours in life that rock the foundation upon which we live. Without proper guidance and support, divorce can seem like an overwhelming and frightening path. Fortunately, there is hope! This book provides that vital guidance and support. In "I Want Out," Family and Divorce Mediation Expert Sean Collinson provides practical and psychological insights which are derived from his many years of experience in the family law system. In this must have book, Sean educates and helps change perceptions in order to achieve successful results by operating in reality verses heated emotion. Sean writes from the heart, from experience, and from the point of view of an ally. "I Want Out" provides the reader with insights, ideas, and wisdom on divorce, child custody, child support, mediation, lawyers, and so much more. It is filled with information to get you successfully through these challenging times. "I Want Out" speaks to those who are contemplating divorce, going through divorce or are unmarried and dealing with paternity issues and concerns. It lends an opportunity to evaluate the situation, create a plan of action, and ultimately, to make educated decisions toward a solution that can help you get your life back on track and allow you to move on. **AVOID COMMON MISTAKES ? PROTECT YOURSELF!** ?You don't get what you deserve; you get what you negotiate.? -Sean Collinson ? Take control of your situation with assertiveness and strategic thinking ? Learn how to deal with difficult personalities ? Learn how to protect yourself and make better choices

University of Arkansas at Little Rock Law Review 1999

Don't Alienate the Kids! Bill Eddy 2010-03-30 An examination of the child alienation problem from the perspective of a lawyer/therapist/mediator who trains professionals on managing high-conflict disputes.

Make Any Divorce Better! Ed Sherman 2009-08-13 Divorce is a difficult passage, but there are practical things any couple can do, individually or together, to make the transition as painless as possible. Every divorcing couple needs the guidance in this book because, without it, the process will not go smoothly. Author Ed Sherman, an attorney with 35 years of experience and over 45,000 successful cases, shows how most divorces fit one of five profiles. He helps readers discover their profile then leads them through the process, step by step, of overcoming what can otherwise turn into major mental and monetary roadblocks. Through its communication, organizational, and negotiation tools, *Make Any Divorce Better!* not only saves readers money, but puts them - not lawyers or the courts - in charge of the process, allowing them to get it done faster, with a minimum of emotional and financial expense, and move on with their lives.

Je kunt je hart helen Louise Hay 2014-06-04 Hoop en licht na rouw en verlies. Bestsellerauteur Louise Hay en rouwexpert David Kessler bundelen hun kennis en kunde op het gebied van het helen van verdriet. Je kunt je hart helen beschrijft de emoties die zich voordoen als een relatie stukloopt, een huwelijk eindigt in een scheiding, een geliefde overlijdt, je wordt ontslagen of je je huisdier verliest. Je leert je gevoelens te doorleven en met compassie terug te kijken naar de mooie momenten. Dit boek geeft je daarmee de moed om ook andere nare situaties in de toekomst het hoofd te kunnen bieden. Door de unieke combinatie van David Kesslers ervaring in het omgaan met verdriet en de affirmaties van Louise Hay helpt dit boek je niet alleen om te gaan met verlies of rouw, maar zorgt het ervoor dat je echt je hart kunt helen. Louise Hay is sinds haar eerste boek *Je kunt je leven helen* bestsellerauteur en heeft wereldwijd meer dan 50 miljoen boeken verkocht. Ze is een veelgevraagd spreker en metafysisch leermeester. David Kessler is een zeer invloedrijke deskundige en spreker op het gebied van rouwverwerking. Hij heeft hierover meerdere boeken geschreven. Kessler heeft onder anderen Elizabeth Taylor, Jamie Lee Curtis en Marianne Williamson bijgestaan in het verwerken van hun verlies.

The Black Hole of High Conflict Brook D. Olsen 2011-11-11 "As went the marriage so goes the divorce" and "Stay away from the flypaper!" These were the most important words spoken to me when I was going through my own high conflict divorce some 13 years ago. My therapist's advice changed the way I thought about nearly everything that happened from that point forward and, most importantly, how I reacted to events during the 2-1/2 year divorce process. If you have been caught up in the long and painful path of a high conflict divorce you will probably agree with these statements. If you are just beginning the divorce process, please take time to reflect on these statements. I believe they will save you great pain and help you find your way through this most treacherous time. If you are reading this material you are likely someone who is looking (or knows someone who is looking) for answers regarding the cycle and traits of a high conflict divorce. In the pages to come I will give you a perspective that you may not hear from the established minds in the worlds of family law or mental health. My goal is to offer you a highly effective process to navigate through high conflict divorce, and get you to think outside of the traditional "box". I have developed leading-edge strategies that have been enormously successful in helping clients and students through the maze of high conflict divorce. Most Family Court professionals believe that all parents have to find a way to co-parent and generate orders that reflect this, even in the face of clear evidence that in high conflict situations, co-parenting only makes the problem worse. These beliefs about co-parenting are based on the normal behavior of the vast majority of separated parents (around 70%). Parents in the remaining high conflict group (around 30%) are not capable of co-parenting in the traditional sense. Familiarizing yourself with the traits and behaviors of high conflict personalities is probably the single most important undertaking necessary to changing the way YOU think, react and behave when it comes to dealing with the other parent. It isn't advanced psychology to state that most all of our worldviews and behaviors are a product of our history. Examining the history of your relationship, as well as any childhood issues experienced by you or the other parent, will help you not only understand better the other parent's point of view, but will give you a good predictor of the behavior to come. This book will change how you think and what you believe regarding the family court system, and free you from the recurring nightmare of being entangled in a fight that makes no sense. It is not intended to be digested in one sitting. Exercises are included at the end of each chapter and will require extra time and effort. If you choose to use them, they will enhance your understanding and effectiveness of the material presented. These are contemplative exercises of the material presented in each chapter. **Will I Ever Be Free of You?** Karyl McBride 2016-03-15 The first book for the millions of daughters suffering from the emotional abuse of selfish, self-involved mothers, "Will I Ever Be Good Enough?" provides the expert advice readers need to overcome debilitating histories and reclaim their lives.

Defusing the High-Conflict Divorce Bernard Gaulier 2006-11 DEFUSING THE HIGH-CONFLICT DIVORCE is a practical guide for therapists, attorneys, social workers, clergy, custody evaluators, and others who work with angry divorcing couples. The book offers a unique set of proven programs for quelling the hostility in high-conflict co-parenting couples, and "defusing" their prolonged, bitter and emotional struggles.

Early Identification of Risk Factors for Parental Abduction 2001 The Office of Juvenile Justice and Delinquency Prevention of the U.S. Department of Justice presents the full text of a bulletin entitled "Early Identification of Risk Factors for Parental Abduction," published in March 2001. The bulletin discusses the risk factors associated with parental kidnapping and strategies that may be used to intervene with families at greatest risk. The bulletin highlights research findings related to the risk factors and the effectiveness of the legal system's response to family abduction.

Win Your Child Custody War Charlotte Hardwick 2005-11-16 *Win Your Child Custody War*, is impressive in both its depth and its breadth. It is a practical "how-to"

book, but it is extremely well researched and covers every imaginable custodial issue. No one involved in a custodial battle should enter the courtroom without first reading it. With this book everybody wins--mothers, fathers, and especially the children. The use of the military metaphor throughout (including a photo of a child in a Marine Corps dress uniform on the cover) is in recognition of two salient facts about custody disputes: they can be psychologically as brutal as war; and the stakes can be extremely high. Yet, the book demonstrates with details and documents, that negotiations are possible, and if the welfare of the child has the highest priority, both sides can win. I would advise you, however, NOT to go into court without having first read this remarkable book. Over the course of 640 triple-columned pages, Hardwick shares her personal experience and her painfully accumulated knowledge on just about every conceivable aspect of the child custody wars while guiding the reader toward a powerful strategy. If you don't have this book you are likely to be overmatched; indeed if your attorney doesn't have this book, he or she is likely to be overmatched. In fact, I would say that the first thing you should do after reading the book yourself, is buy a copy for your attorney and somehow persuade him or her to open the pages and to start reading--anywhere in the book. I promise you your attorney will learn facts, ideas, strategies new to him or her. The expanse and depth of the material presented here quite frankly amazed me. This extensive tome constitutes an entire course not only in child custody disputes but in human psychology, parenting, and the law itself. Some items: There are 91 pages citing, summarizing, quoting from, and referencing relevant cases and decisions. There is a detailed guide on how to negotiate and what conflict resolution is all about; a chapter on how to handle discovery and depositions; another on judges, what to expect from them and how you might get a good one or avoid a bad one; there's guidance on what to expect in court and how to present yourself and your case; how to select an attorney; what your case is likely to cost and how to discover the assets of your adversaries, including (this floored me) hidden assets such as "Overpayments to the IRS". You will learn about how much you can expect to pay or receive in child support, and again how to gauge assets, including hidden income such as "excessive deductions on paychecks" --a nice dodge which amounts to loaning Uncle Sam the money until tax time! You will also: --Discover how to handle psychologists and other "evaluators" and influence them to your advantage. For example beware of the "halo effect." (Have your side evaluated by the psychologist first to secure that effect.) --Understand what psychological tests can be given and what they can mean in the dispute. Sometimes the judge makes the court-ordered decision of a professional binding, so that "you have in fact a new judge." --Appreciate the role of other experts, what they can and cannot do to further your case, and how to evaluate and get a reliable expert who will make an effective witness.--Learn the value of keeping a detailed log of everything pertaining to your case and its possible use as documentation. Hardwick presents this with some tips on how e-mail and computer files can come back to haunt you if you share the wrong information, even anonymously or through the assumption of an Internet moniker.--Become knowledgeable about lie detectors and their use and misuse and the reach of DNA testing.--Know which problems or accusations are issues and which are non-issues in the eyes of the law. For example, child endangerment is an issue; a "blended" family is not. Physical abuse is an issue; false accusations may or may not be. --Be introduced to the infamous Parental Alienation Syndrome (PAS) in which one parent tries to alienate the child from the other parent through lies and distortions. PAS includes "The Grand Lie" in which one side falsely accuses the other of child sexual abuse, a charge that is hard to become completely free of, regardless of the truth of the accusation. Hardwick even includes some humor with eleven ways on how to know "You've Been in Court Too Long" (from Dean Hughson). If this isn't enough there is a presentation of ingrained psychological strategies that you might use or encounter such as the famous "Tit for Tat" from game theory or the sneaky "Tranquilizer" who lulls you to inattention and then takes advantage. There is a Glossary of Terms and a detailed Index as well as a lot of information on resources throughout. There's even a chapter on lies and how to correct them (should you be the liar!). The mass of information and the sharp, sound guidance contained herein really amount to a post graduate course in child custody disputes. Even so I was almost as much impressed with Hardwick's assertive, no-nonsense writing style and organization that managed to painlessly inform while emphasizing a positive approach.

The Scientific Basis of Child Custody Decisions Robert M. Galatzer-Levy 2009-03-23 The legal system requires mental health professionals to provide research summaries to support their evaluations in child custody cases. Contributions from leading developmental researchers, legal professionals, and clinicians describe how scientific evidence is properly used in court. Timely and current, this book helps evaluators access the best information to fulfill their obligations to their clients and the court. The Second Edition adds chapters on family observation, parental alienation, and sexual abuse. Forensic psychologists, family lawyers, and judges will be equipped with the most current information to aid in custody decisions.

The Battle and Backlash Rage On Stacey Elin Rossi 2004-07-07 In The Battle and Backlash Rage On: Why feminism cannot be obsolete edited by Stacey Elin Rossi, hot topics include: misogyny, antifeminism and/or bigotry in "men's rights" groups and "feminist" groups (such as ifeminists); critiques of the mainstream view that feminism is an outdated idea and no longer needed; contemporary obstacles to overcoming backlash, such as corrupt manipulation of data in antifeminist rhetoric; and the like. Issues covered include: Rhetorical denial that men hold the responsibility to end rape Me-too-ism by some men in regard to women's only programs, such as healthcare Distortion of the image of the father by mens rights groups Implicit and explicit misogyny and antifeminism among ifeminists and mens rightists Sexism and the patriarchal birthright in divorce and its harm to children manifest in the custodial decisions taking away children from their mothers and leaving them in the hands of the abuser Prevalence of domestic violence and its impact on the nations children Backlash against an ill-informed view of affirmative action and political correctness that allegedly gives privilege, particularly to women The compendium presents a combination of scholarly and nonscholarly works, a blend that appeals to both academics and nonacademics alike. Its ultimate purpose is to demonstrate that feminism works for the benefit of all humankind and *not*, as claimed, to the detriment of men. These articles and essays will hopefully demystify the issues, give a desperately needed more powerful force in favor of feminism, and serve to controvert rampant antifeminism, which can be, in effect, cleverly masqueraded misogyny. This material is all rather cutting-edge. No volume to date has encompassed these very current developments in the sexual political landscape. All over the westernized world, the cultural melee surrounding the issue of sex/gender sounds like a cacophony of agitated voices screaming in rage. From angryharry blaming global warming on feminists, as well as rape on women, the very victims themselves,1 to MS Magazine bulletin board participants claiming that men hate women2, the ideological battle seems to be at a greater intensity than ever before. However, this battle remains relatively confined to the fringes of society and to academe; feminism per se is no longer part of our cultural mainstream. While women all over the world, particularly in developing countries, are increasingly associating themselves with the label feminist, women in the United States seem to be abandoning the term in droves. From boardrooms to bedrooms, not the four letter version but the eight letter F-word appears verboten. As criticized by some

European feminists, American women, particularly those otherwise-would-be feminists, dont like to offend their men. Standing by their men, they have begun to increasingly eschew feminism and even have begun to join the ranks of the enemy the mens rightists. A search on the internet for articles and essays may produce thousands of hits on the obsolescence of feminism; however, polls and general trends indicate that the vast majority of women, as well as men, believe in gender equity. One might hear a young woman say, contradictorily, Sure, I believe women should be equal to men, but Im not a feminist. According to Geni Hawkins, Somehow, the term nazi has gotten tacked onto the end of the word [feminist], and the prevailing opinion seems to have become that the word connotes a shrill, man-hating, bra-burning (I'm surprised they're not still going off about us bobbing our hair), unfulfilled female.3 One major unresolved and possibly unresolvable problem is, unsurprisingly, just how to proceed in such a splintered and alienating movement, and one that has been given such a bad reputation. Like so many other cultural stereotypes, such as the shad

Toxic Divorce: A Workbook for Alienated Parents Kathleen M. Reay 2012-07-10 Are you an alienated parent dealing with a toxic divorce?Is your former spouse making derogatory remarks about you to your children?Have your children become really angry with you?Is your ex claiming that your children don't want to see you anymore?Do you children no longer want to have anything to do with your family, friends, or pets?Is your ex resisting or refusing to cooperate by not allowing you access to your children?If you answer yes to one or more questions, then parental alienation (PA) or parental alienation syndrome (PAS) may be occurring. This workbook will provide the knowledge, understanding, real-life examples, step-by-step directions, and powerful strategies to deal with the ramifications of PA or PAS. Alienated parents will learn effective ways to overcome negative thoughts, feelings, and behaviors that can stand in the way of rebuilding loving relationships with their children. Mental health and legal professionals will find the information in this book extremely valuable to help their clients and work in the best interests of alienated children.

Leven met een borderliner Randi Kreger 2003

Violence Against Women in Families and Relationships EVAN STARK 2009-06-08 The fight to end domestic violence consists of community-based services for battered women, laws and policies to combat the problem, a broad spectrum of frequently-innovative programs to protect or otherwise support abused women and children, a dramatic shift in media portrayals of violence against women, and a growing public critique of unacceptable forms of power and control in relationships. These volumes offer another weapon in that battle. ||Violence against Women in Families and Relationships takes stock of all of the ways in which legislation, programs and services, and even public attitudes have impacted victims, offenders, and communities over the last few decades. Contributors pay special attention to how race, class, and cultural differences affect the experience of abuse. They explore the efficacy of interventions, and they provide compelling real-life examples to illustrate issues and challenges. Our society has made an enormous investment in stopping abuse in families and relationships, but numerous questions still remain. Many of those questions are answered in these pages, as experts uncover the realities of domestic violence and the toll it takes on families, individuals, communities, and society at large.

Lang en gelukkig uit elkaar Katherine Woodward Thomas 2016-08-18 Het vijfstappenplan voor conscious uncoupling is bedacht om stellen die uit elkaar gaan over het moeilijke pad van een scheiding te helpen, door ze hun relatie bewust af te laten sluiten. Lees hier meer! Lang en gelukkig uit elkaar Toen Gwyneth Paltrow in 2014 scheidde van Chris Martin, gebruikte ze de term conscious uncoupling voor het harmonieuze en wederzijdse besluit om uit elkaar te gaan. Populair geworden door relatie-expert Katherine Woodward is deze term synoniem geworden voor een scheiding waarbij beide partners accepteren dat ze een rol hebben gespeeld bij het uit elkaar gaan en - nog belangrijker - het samen werken aan een functionele en gezonde manier om in de toekomst met elkaar om te gaan, wat met name praktisch is in het geval van co-ouderschap. Het vijfstappenplan voor conscious uncoupling is bedacht om stellen die uit elkaar gaan over het moeilijke pad van een scheiding te helpen, door ze hun relatie bewust af te laten sluiten op een manier die een optimistische toekomst mogelijk maakt. Lang en gelukkig uit elkaar laat zien dat scheiden ook een goede ervaring kan zijn.

Rules of Estrangement Joshua Coleman, PhD 2021-03-02 A guide for parents whose adult children have cut off contact that reveals the hidden logic of estrangement, explores its cultural causes, and offers practical advice for parents trying to reestablish contact with their adult children. "Finally, here's a hopeful, comprehensive, and compassionate guide to navigating one of the most painful experiences for parents and their adult children alike."—Lori Gottlieb, psychotherapist and New York Times bestselling author of Maybe You Should Talk to Someone Labeled a silent epidemic by a growing number of therapists and researchers, estrangement is one of the most disorienting and painful experiences of a parent's life. Popular opinion typically tells a one-sided story of parents who got what they deserved or overly entitled adult children who wrongly blame their parents. However, the reasons for estrangement are far more complex and varied. As a result of rising rates of individualism, an increasing cultural emphasis on happiness, growing economic insecurity, and a historically recent perception that parents are obstacles to personal growth, many parents find themselves forever shut out of the lives of their adult children and grandchildren. As a trusted psychologist whose own daughter cut off contact for several years and eventually reconciled, Dr. Joshua Coleman is uniquely qualified to guide parents in navigating these fraught interactions. He helps to alleviate the ongoing feelings of shame, hurt, guilt, and sorrow that commonly attend these dynamics. By placing estrangement into a cultural context, Dr. Coleman helps parents better understand the mindset of their adult children and teaches them how to implement the strategies for reconciliation and healing that he has seen work in his forty years of practice. Rules of Estrangement gives parents the language and the emotional tools to engage in meaningful conversation with their child, the framework to cultivate a healthy relationship moving forward, and the ability to move on if reconciliation is no longer possible. While estrangement is a complex and tender topic, Dr. Coleman's insightful approach is based on empathy and understanding for both the parent and the adult child.

Parenting Coordination Dr. Debra K. Carter, Ph.D. 2011-02-18 Parenting Coordination is a child-centered process for conflicted divorced and divorcing parents. The Parenting Coordinator (PC) makes decisions to help high-conflict parents who cannot agree to parenting decisions on their own. This professional text serves as a training manual for use in all states and provinces which utilize Parenting Coordination, addressing the intervention process and the science that supports it. The text offers up-to-date research, a practical guide for training, service provision, and references to relevant research for quality parenting coordination practice. Specifically, this book describes the integrated model of Parenting Coordination, including the Parent Coordinator's professional role, responsibilities, protocol for service, and ethical guidelines.

Family Law Leslie Joan Harris 2018-02-27 Family Law, Sixth Edition is a modern and teachable casebook, offering comprehensive coverage and a mix of interdisciplinary materials. It compares innovative developments in some states with the

reaffirmation of traditional principles in others, and does so in the context of a wider focus on family and the state, the role of mediating institutions, and the efficacy of law and particular methods of enforcing the law. The casebook deals with the complexity of family law both in the organization of the chapters—separate units on family contracts, jurisdiction, and practice, for example, can be shortened, skipped, or taught in almost any order—and the diversity of material within each chapter. Each unit combines primary cases with comprehensive notes, supplemented with academic and policy analyses that provide a foundation for evaluation. Detailed problems extend the coverage or apply the commentary to real world examples. Key Features: A streamlined and updated chapter on the legal significance of being married, including an updated section on reproductive rights to reflect the potential influence of *Whole Woman's Health v. Hellersted* Major revisions to the chapters on marriage and informal domestic partnerships to reflect the impact of *Obergefell v. Hodges* A complete update of the parentage cases to incorporate the latest developments on same-sex partners, three parent recognition, third party visitation, adoption, and assisted reproduction Revised sections on the role of settlement agreements and out-of-court processes in divorce and the dissolution of relationships Coverage of cross-disciplinary topics, including financial principles, genetics/statistics, clinical psychology, social history, policy discussions, counseling, negotiation, ADR, and ethics

The High-Conflict Custody Battle Amy J. L. Baker 2014-01-11 A team of legal and psychology experts presents a practical guidebook for parents engaged in a high-conflict custody battle that will help navigate this difficult process and provide the skills for maintaining a healthy relationship with their children. Original.

Divorce in North Carolina Eric Trosch 2017-03-01 Providing accurate and objective information to help make the right decisions during a divorce in North Carolina, this guide provides answers to more than 350 queries such as What is the mediation process in North Carolina and is it required? How quickly can one get a divorce? Who decides who gets the cars, the pets, and the house? What actions might influence child custody? How are bills divided and paid during the divorce? How much will a divorce cost? and Will a spouse have to pay some or all attorney fees? Structured in a question-and-answer format, this divorce handbook provides clear and concise responses to help build confidence and give the peace of mind needed to meet the challenges of a divorce proceeding.

Splitting Bill Eddy 2021-07-01 This highly anticipated second edition of *Splitting* includes new chapters on abuse, alienation, and false allegations; as well as information about the four types of domestic violence, protective orders, and child custody disputes. Are you divorcing someone who's making the process as difficult as possible? Are they sending you nasty emails, falsifying the truth, putting your children in the middle, abusing you, or abusing the system? Are they "persuasive blamers," manipulating and fooling court personnel to get them on their side? If so, you need this book. For more than ten years, *Splitting* has served as the ultimate guide for people divorcing a high conflict person, one who often has borderline or narcissistic (or even antisocial) personality disorder. Among other things, it has saved readers thousands of dollars, helped them keep custody of their children, and effectively guided them through a difficult legal and emotional process. Written by a family law attorney and therapist, and the author of *Stop Walking on Eggshells*, *Splitting* is an essential legal and psychological guide for anyone divorcing a persuasive blamer: someone who suffers from borderline personality disorder (BPD), narcissistic personality disorder (NPD), and/or antisocial personality disorder (ASPD). This second edition includes new information about antisocial personalities; expanded information about domestic violence, child abuse, alienation, and false allegations; how to approach protective orders and deal with child custody disputes; and a new chapter on how to successfully present your case to decision makers. Turn to this guide to help you: Predict what your spouse may do or say in court Take control of your case with assertiveness and strategic thinking Choose a lawyer who understands your case Learn how e-mails and social networking can be used against you If you need help navigating a high-conflict divorce from a manipulative spouse, this book includes all of the critical information you need to work through the process of divorce in an emotionally balanced, productive way.

Dromen aan zee Sherryl Woods 2021-11-16 Chesapeake Shores 1 - Dromen aan zee Eigenlijk heeft Abby O'Brien helemaal geen tijd om haar jongste zusje, Jess, voor de zoveelste keer uit de problemen te helpen. Ze heeft het veel te druk met haar carrière en haar tweelingdochters van vijf. Maar als het om haar zusje gaat, kan ze geen nee zeggen. Sinds hun moeder hen vijftien jaar geleden in de steek liet, heeft Abby als oudste van de vijf kinderen de moederrol op zich genomen. Dus reist ze van New York naar haar geboortestadje Chesapeake Shores. Naast Jess' probleem wacht haar daar echter een verrassing...

Handboek scheiden en de kinderen Ed Spruijt 2014-08-29 Beroepskrachten hebben steeds vaker te maken met kinderen en jongeren van gescheiden ouders. Dan komt het erop aan adequaat te reageren op de problemen van deze kinderen en hun ouders. Eenvoudig is dat niet, maar gewapend met de kennis en inzichten uit dit boek, zal de professional beter voorbereid zijn. Dat is belangrijk want: Jaarlijks worden meer dan zeventigduizend kinderen en jongeren geconfronteerd met de scheiding van hun ouders. Gemiddeld hebben deze kinderen en jongeren twee keer zo veel problemen als kinderen uit intacte gezinnen. Vooral een scheiding met veel conflicten, een vechtscheiding, hakt er bij kinderen in en kan veel sporen nalaten. Deze geheel herziene en geactualiseerde tweede druk van *Handboek scheiden en de kinderen* presenteert de actuele stand van zaken van het (inter)nationale wetenschappelijk onderzoek naar kinderen en scheiding. Belangrijke nieuwe informatie heeft te maken met: de effecten van de wet van 2009; nieuwe resultaten uit 2013 van het langjarig onderzoek Scholieren & Gezinnen; de ontwikkeling van een scheidingsrichtlijn voor de jeugdzorg; bijzondere initiatieven in jeugdzorg en rechtspraak; vechtscheidingen en familiedrama's. De informatie is geordend in thema's als maatschappij, opvoeding, ernstige problemen, wetgeving en ondersteunende maatregelen. Praktische kennis staat centraal. Deze is te vinden in praktijkgevallen, tips en adviezen en beschrijvingen van werkwijzen en programma's. Wetenschappelijke gegevens worden vertaald naar de dagelijkse situatie.

Men's Guide to High-Conflict Divorce Thomas B. Fitzgerald If you find your self facing or embroiled in a divorce with a high-conflict individual, my heart goes out, but you aren't alone. This book is geared towards men who find themselves in this situation, but the guidance provided is helpful to all genders. Having gone through a high-conflict divorce and losing my son in the process, I wanted to try and help someone else in the same shoes. This is valuable information and may just help you make it through the process intact. Bon chance!

The International Handbook of Parental Alienation Syndrome Richard A. Gardner 2006 The dramatic increase in the number of child-custody disputes since the seventies

has created an equally dramatic need for a standard reference work that examines the growing social problem of children who develop an irrational hatred for a parent as the result of divorce. The *International Handbook of Parental Alienation Syndrome: Conceptual, Clinical, and Legal Considerations* features clinical, legal, and research perspectives from 32 contributors representing eight countries, building on the work of the late Dr. Richard Gardner, a pioneer in the theory, practice, diagnosis, and treatment of Parental Alienation Syndrome (PAS). This unique book addresses the effects of PAS on parents and children, discusses issues surrounding reconciliation between parent and alienated child, and includes material published for the first time on incidence, gender, and false allegations of abuse in PAS. Content highlights examines PAS and the roles of family members, the criminal justice system, and the need for public awareness and policymakers to respond to PAS. Descriptive statistics on 84 cases are given, and the factors affecting reconciliation between the child and target parent are listed. The mild, moderate, and severe categories of PAS are explored, and the psychological consequences of PAS indoctrination for adult children of divorce and the effects of alienation on parents are researched. The role of medical reports in the development of PAS, sexual abuse allegations, and future predictions on the fate of PAS children are many of the clinical considerations in this book. The legal issues concern PAS in American law, criticisms of PAS in courts of law, protecting the fundamental rights of children in families, family law reform, International PAS abductions, and the legal requirements of experts giving evidence to courts. The impact and implications of PAS are immense, and no other single source provides the depth and breadth of coverage of the topic than the clinical and forensic chapters in this book.

Родители и взрослые дети. Как разрешить конфликты и восстановить отношения Джошуа Коулман 2022-08-04 Разрыв с собственным ребенком – одна из самых тяжелых невзгод, которые могут выпасть на долю родителя. Иногда родители своим поведением способствуют желанию ребенка держаться на расстоянии, а иногда проблема заключается в их взрослом ребенке или его супруге. Психолог Джошуа Коулман сам пережил отчуждение от собственной дочери. В книге обсуждаются распространенные причины отчуждения, рассказываются истории отчужденных родителей и подробно разбираются необходимые действия на пути к воссоединению с детьми. В формате PDF A4 сохранен издательский макет книги.

Kaat wil niet meer op bezoek Ludo Driesen 2016-06-16 Als een kind na de echtscheiding geen contact meer wil met een van zijn ouders... Het PAS - Parental Alienation Syndroom of Ouderverstotingssyndroom is een begrip dat ingeburgerd is bij onder meer hulpverleners en juristen die zich met echtscheiding bezighouden. Niettemin wordt het begrip ook bekritiseerd. Het ouderverstotingssyndroom is niet alleen moeilijk te definiëren, het is nog veel moeilijker vast te stellen en te behandelen. Het komt voor bij heel wat vechtscheidingen en mag beschouwd worden als een van de ergste loyaliteitsconflicten en zelfs als een vorm van kindermishandeling. Hoe kan het ouderverstotingssyndroom worden vastgesteld? Zijn er juridische of psychologische oplossingen? En omdat de ouders, de ex-partners, veruit het grootste aandeel hebben in het ouderverstotingssyndroom, rijst de vraag of we niet beter spreken van het ex- partnerverstotingssyndroom ... Dit boek is geschreven voor hulpverleners, juristen, ouders en allen die te maken hebben met echtscheiding, vechtscheiding en ouderverstoting, en ook voor de grootste slachtoffers, de kinderen.

Scheiden of blijven Mira Kirshenbaum 2016-08-10 Scheiden of blijven? Weinig vragen veroorzaken zoveel twijfel en slapeloze nachten als deze. Of je een langdurige relatie hebt of net iemand hebt gevonden, deze vraag is altijd actueel. Veel boeken proberen de breuk te lijmen. Het bijzondere van dit wijze en nuchtere boek is dat het duidelijk maakt waar je tussen kunt kiezen, en op welke gronden. Mira Kirshenbaum heeft als relatietherapeute twintig jaar lang mensen geholpen bij het zoeken naar de beste oplossing. Haar kennis en ervaring bracht ze bijeen in deze praktische gids. Ze stelt alle cruciale vragen over je relatie: * Welke fouten kun je vergeven en welke niet? * Zullen de dingen die je dwarszitten beter of slechter worden? * Hoe goed is je seksleven en hoe belangrijk vind je dat? * Wat krijg je als je weggaat; is dat beter of slechter? Vervolgens helpt ze je verder, door stap voor stap, en met veel voorbeelden uit de praktijk, antwoord op die vragen te geven. Het resultaat is altijd positief. Als je wilt blijven zul je al lezend ontdekken hoe waardevol je relatie is. Als je besluit te scheiden zal dit boek je laten inzien waarom je dat wilt. Ook dat is goed nieuws, want je weet nu waar je aan toe bent, en je geeft twee mensen hun vrijheid terug. 'Briljant.' - Shere Hite 'Als ik in die situatie terechtkom, wil ik dit boek als raadgever.' - Dr. Pepper Schwartz, auteur van *American Couples* en *Love between Equals*.

High-Conflict Parenting Post-Separation Eia Asen 2020-03-12 High-Conflict Parenting Post-Separation: The Making and Breaking of Family Ties describes an innovative approach for families where children are caught up in their parents' acrimonious relationship - before, during and after formal legal proceedings have been initiated and concluded. This first book in a brand-new series by researchers and clinicians at the Anna Freud National Centre for Children and Families (AFNCCF) outlines a model of therapeutic work which involves children, their parents and the wider family and social network. The aim is to protect children from conflict between their parents and thus enable them to have healthy relationships across both 'sides' of their family network. High-Conflict Parenting Post-Separation is written for professionals who work with high-conflict families – be that psychologists, psychiatrists, child and adult psychotherapists, family therapists, social workers, children's guardians and legal professionals including solicitors and mediators, as well as students and trainees in all these different disciplines. The book should also be of considerable interest for parents who struggle with post-separation issues that involve their children.

The High-Conflict Custody Battle Amy J. L. Baker 2014-11-01 Is your ex-spouse trying to gain custody of your kids? Has he or she launched a campaign to make you look like a bad parent, both in the eyes of your children and the law? You aren't alone. Unfortunately, high-conflict custody battles are all-too-common in today's world. So how can you arm yourself with the mental and legal resources needed to survive this difficult time and keep your kids safe? In *The High-Conflict Custody Battle*, a team of legal and psychology experts present a practical guidebook for people like you who are engaged in a high-conflict custody battle. If you are dealing with an overtly hostile, inflammatory, deceitful, or manipulative ex-spouse, you will learn how to find and work with an attorney and prepare for a custody evaluation. The book also provides helpful tips you can use to defend yourself against false accusations, and gives a realistic portrayal of what to expect during a legal fight. Going through a divorce is hard, but going through a custody battle can feel like war. Don't go in unprepared. With this book as your guide, you will be able to navigate this difficult process and learn powerful skills that will help you maintain a healthy relationship with your kids, fight unfair accusations, and uphold your rights as a parent.
