The New English Bible 1972 The New Testament of the New English Bible was first published in 1961 with a complete text available from 1970. This translation was the first to render the scriptures into contemporary English and to depart from the traditional linguistic style of the Authorized Version. Over the years the translation has come to be regarded as a classic text and it became a best-seller in many countries around the world. In 1989 its successor, the Revised English Bible, was published to great acclaim but there remain a significant number of readers who favour the NEB. This stunning edition - featuring the well-known line drawings by Horace Knowles - reintroduces the much-loved NEB text back into the Oxford list after an absence of nearly two years.

The New English Bible: the Apocrypha Donald Coggan 1970

Companion to the New Testament A. E. Harvey 1970-10-08

The New English Bible 2009-03-19 The New English Bible, completed in 1970, was the culmination of more than twenty years' work by scholars and literary advisers representing the major Protestant churches of the British Isles. An authoritative translation made directly from the best Hebrew and Greek texts and founded on all the resources of contemporary scholarship, it aimed to present the full meaning of the original in clear and natural modern English. This approach marked a departure from the prevailing Bible translation philosophy and to this day the NEB has a significant place in the history of the Bible in English. The New English Bible is now reissued in this classic 'Library Edition' format to coincide with the reissue of the complete Cambridge Bible Commentaries series, which was itself based on the NEB text.

Bible. English. New English. 1972. The New English Bible with the Apocrypha 1972 **Apocrypha** Cambridge University Press 1995-12-01 The New English Bible was first published in 1970. It was produced from the best Hebrew and Greek texts, founded on all the resources of modern scholarship and aimed to present the full meaning of the original in Clear and natural modern English. It is free from any denominational bias, being the result of 20 years' work by an ecumenical team of scholars and literary advisers appointed collectively by representatives of all the major Christian churches in Britain.

Bible Joint Committee on the New Translation of the Bible 1970

REB Standard Text Bible, RE530:T 2002-01-10 The REB updates The New English Bible, retaining the latter's elegant literary style, but removing its archaisms. The REB employs a modest amount of inclusive language (e.g. 'brothers and sisters' for 'brothers') and is good for public reading. Like the NEB before it, the REB is a British translation, sponsored by all the main Christian denominations. This hardback includes just the Old and New Testaments and the page numbers match the Cambridge REB Lectern Bibles, so the hardback makes an excellent pew Bible.
