Taipei Tao Lin 2014-04-09 Taipei is de grensverleggende autobiografische roman van het nieuwe literaire fenomeen Tao Lin. Hij vertelt het verhaal van de jonge schrijver Paul, die op zoek is naar houvast in een wereld die steeds minder zekerheden biedt. Paul woont in Brooklyn en brengt zijn tijd grotendeels door met het checken van Facebook, Twitter, Tumblr en Gmail. Hij doorbreekt de sleur door zich met volle overgave te storten op drugs, feesten en reizen naar Taiwan, waar zijn ouders wonen. Kort nadat hij via internet zijn vriendin Erin ontmoet, trouwt hij gedrogeerd met haar in Las Vegas. Het feesten gaat onverminderd door, net als zijn zoektocht naar redenen voor zijn bestaan. De koortsachtige, zinderende manier waarop Tao Lin weet in te zoomen op de verveling en doelloosheid in het leven van zijn personages, maakt hem tot een nieuwe, radicale loot aan de stam van de contemporaine literatuur. Tao Lin (1983) is grondlegger en boegbeeld van Alt Lit, een Amerikaans platform voor literaire bloggers. Zijn werk wordt in twaalf talen vertaald. Hij woont in Manhattan en is de oprichter en uitgever van online uitgeverij Muumuu House. 'Tao Lin is de belangrijkste stem van zijn generatie. Bret Easton Ellis 'Tao Lin is een belangrijke en getalenteerde romancier die alles uit de kast haalt. The New York Times Book Review 'Lin is een vertegenwoordiger van een nieuw type schrijverschap. Rutger Lemm 'Een wereld die herkenbaar is, maar nog zelden zo opgeschreven. Vrij Nederland

Bradt Travel Guide Taiwan Steven Crook 2014-08-19 Taiwan is one of the most crowded countries on Earth but beyond the ocean of people and vehicles, far from the neon and noise that confronts new arrivals, there's an island of breathtaking mountain vistas, bird-rich forests and quaint villages where folk religion thrives. This is the guide for individuals who want more than the treasures of the National Palace Museum, the beaches of Kending and the well-beaten trails of Alishan. Whether you aim to rough it on mountain peaks, observe age-old rituals in tucked-away temples or wallow in five-star comfort, Bradt's Taiwan will lead you on an unforgettable journey through Asia's newest destination.

Cheong Ching 2001-01-01 The March 2000 presidential elections in Taiwan returned a pro-independence candidate. This marks a turning point in Taiwanese politics, as well as bilateral relations across the strait. The Taiwan issue is extremely difficult to resolve for it straddles three centuries. Separatism originated in the 19th century, intensified in the 20th century and is likely to explode in the 21st century.Being one of the few journalists who possess in-depth knowledge of both sides of the Taiwan Straits, the author is able to give a factual account and offer explanations for the developments that led eventually to the change of the political landscape of the island.This book is a collection of selected news reports, analyses and commentaries which were written by the author between 1998 and 2000 during his posting to Taiwan. The first part traces the development of cross-strait relations since the presidential elections. The second part gives a factual account of the election process at different points in time, as well as the author's interpretation of the result. The next part covers news and analyses of cross-strait relations, especially the unification-independence dispute and the deterioration of cross-strait relations after Taiwanese ex-president Lee Tenghui formulates his 'two-states' policy. The final part sets cross-strait relations in the broader perspective of the trilateral relationship between Beijing, Taipei and Washington, the latter a key player in this uneasy co-existence.This book would be a good reference for anyone interested in the history and current political developments in Taiwan.

The Rough Guide to Guatemala Iain Stewart 2006 This is a guide to Guatemala, featuring practical travel advice on exploring the spectacular Mayan ruins, highland villages and much more. Details of best budget hostels, jungle lodges and colonial hotels are included. Previous ed.: published as Guatemala. 2002.
