**Walden** Henry David Thoreau 2019-06-13 Een tijdloze klassieker over natuur en bezinning met een voorwoord van Paolo Cognetti In 1845 trok Henry David Thoreau de natuur in. Twee jaar lang verbleef hij in een huisje aan de oever van Walden Pond om te lezen, na te denken en te schrijven. Het resultaat was een tekst die een van de grote werken uit de wereldliteratuur zou worden. In Walden koppelt Thoreau wervelende natuurobservaties en filosofische bespiegelingen aan een pleidooi voor een betere samenleving. Meer dan honderdvijftig jaar na de eerste druk inspireert deze unieke tekst lezers wereldwijd nog steeds tot reflectie en bezinning. Deze editie bevat ook De plicht tot burgerlijke ongehoorzaamheid. Thoreau weigerde belasting te betalen aan een bewind dat slavernij en de oorlog tegen Mexico goedkeurde en werd daarvoor een nacht in de gevangenis gezet. Hij verdedigt het recht en zelfs de plicht van iedere burger om ongehoorzaam te zijn aan een onrechtvaardige regering.

**The Glory and Shame of England** C. Edwards Lester 2015-06-11 Excerpt from The Glory and Shame of England, Vol. 1 The true object of an Introduction should be to give the reader a correct idea of the book. I will try to do this by hinting the subjects I treat of, and what I meant in writing this work. With the restoration of peace at home, we have time to look abroad; and while no good citizen desires a conflict with England, there is a universal and settled determination to call her to an account, sooner or later, for the enormous wrongs and depredations she has allowed her subjects to perpetrate upon our Commerce, our Peace, our Union and Prosperity. She was unfriendly to us in our weakness - she can hardly ask us to be friendly to her in our strength. I intended not only to display the power, resources and grandeur of the British empire, with whatever constitutes its title to enduring glory, but to lift the veil from her crimes, in oppressing the masses of her own people at home; her cruelties to Ireland, and her helpless hundred and fifty millions in Asia; the corruptions of her "Established Church," as a State Religion; and, in a word, the atrocities of her Oligarchical System, which dresses one man in gold and sends him to the House of Lords, and another in rags and sends him to the Workhouse; a system which has only one scope in Foreign Policy, viz.: to oppress and rob nations, to sweep all commerce but her own from the sea, and above all, to break up the Great Republic of the United States. Glory of Christ Unveiled & Vindicated Volume 1 Joseph Hussey

Select Works Vol. 1 Emma Theresa 2014-04-01 Within your hands is a rare piece of literature, not simply because it discusses "women" but that a woman, living a vowed celibate life, wrote it and yet you can feel her yearning and intensity for what she will never be nor

experience. This work is written at time when females were not considered an equal with their male counterparts, something, which this writer not only defies, but is also, and quite skillfully, dissect T. Aquinas, and interject Bonaventure's intentions, with Augustinian overtures. This work is densely written; it will and should take a more concerted effort to appreciate. It is well written, keenly articulated and skillfully crafted upon some of the Christian Churches greatest orators.

**The Glory of Christ, Vol. 1** Gardiner Spring 2017-11-18  
Excerpt from *The Glory of Christ, Vol. 1: Illustrated in His Character and History, Including the Last Things of His Mediatorial Government* It was the original design of the writer to make the present work the sequel and counterpart to his last published volumes, entitled *First Things*. In arranging his thoughts for this purpose, he found the topics so allied to the glory of his Divine Master, that he selected rather the present title, because without excluding *Last Things*, it would furnish him a wider range of useful topics. *ANOTHER JESUS, a Different Spirit, a Different Gospel*  
Steven H. Propp 2011-12-13 It's the Christmas season—"the most wonderful time of the year" for most people in River City, California. But for Jehovah's Witnesses Lawrence and Brad, it's a time for them to try to explain "the truth" about this holiday season to the people of the community. Their earnest efforts may earn them ridicule, disagreement, or a door slammed rudely in their faces, but they persist—and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom. Whereas for Elders Skousen and Marshall—two Latter-day Saint (Mormon) missionaries—the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel; but their efforts are often rebuffed, as well. In the course of their work, these two pairs of men engage in dialogue with traditional Christians, as well as members of the Church of Christ; the Community of Christ (RLDS); Seventh-day Adventists; and "Oneness" Pentecostals—not to mention skeptics, atheists, and the increasing numbers of people who lack any particular

religious beliefs. But when a local church brings in a researcher to give a series of lectures on "Cults"—and specifically targeting the Jehovah's Witnesses and Mormons—a confrontation is ensured, where theological and biblical concepts collide in a public forum. Who, if anyone, really has "the Truth"? Can one still discover the "true meaning of Christmas" in the midst of passionate disagreements over the validity of the holiday season? Are objections raised about the secularization and rampant commercialism of the modern celebration valid? Spend a holiday season (or any other season) with some interesting and intellectually-stimulating characters, as they explore these and other challenging questions. (Readers of the author's earlier novel, *A Multicultural Christmas*, will be pleased to see a brief reappearance of two characters from that book.)

*Mormon Women's History* Rachel Cope 2017-11-29  
*Mormon Women's History: Beyond Biography* demonstrates that the history and experience of Mormon women is central to the history of Mormonism and to histories of American religion, politics, and culture. Yet the study of Mormon women has mostly been confined to biographies, family histories, and women's periodicals. The contributors to *Mormon Women's History* engage the vast breadth of sources left by Mormon women—journals, diaries, letters, family histories, and periodicals as well as art, poetry, material culture, theological treatises, and genealogical records—to read between the lines, reconstruct connections, recover voices, reveal meanings, and recast stories. *Mormon Women's History* presents women as incredibly inter-connected. Familial ties of kinship are multiplied and stretched through the practice and memory of polygamy, social ties of community are overlaid with ancestral ethnic connections and local congregational assignments, fictive ties are woven through shared interests and collective memories of violence and trauma. Conversion to a new faith community unites and exposes the differences among Native Americans, Yankees, and Scandinavians. Lived experiences of marriage, motherhood, death, mourning, and widowhood are played out within contexts of expulsion and exile, rape and violence, transnational immigration, establishing "civilization" in a wilderness, and missionizing both to new neighbors and far away peoples. Gender defines, limits, and opens opportunities for private expression, public discourse, and popular culture. Cultural prejudices collide with doctrinal imperatives against backdrops of changing social norms, emerging professional identities, and developing ritualization and sacralization of lived religion. The stories, experiences, and examples explored in *Mormon Women's History* are neither comprehensive nor conclusive, but rather suggestive of the ways that Mormon women's history can move beyond individual lives to enhance and inform larger historical narratives.

The Cambridge Edition of Early Christian Writings: Volume 1, God Andrew Radde-Gallwitz 2017-11-23 The Cambridge Edition of Early Christian Writings provides the definitive anthology of early Christian texts, from c.100 to 650 CE. Its six volumes reflect the cultural, intellectual and linguistic diversity of early Christianity and are organized thematically on the topics of God, practice, Christ, community, reading and creation. The series expands the pool of source material to include not only Greek and Latin writings, but also Syriac and Coptic texts. Additionally, the series rejects a theologically normative view by juxtaposing texts that were important in antiquity but later deemed 'heretical', with orthodox texts. The translations are accompanied by introductions, notes, suggestions for further reading and scriptural indices. The first volume focuses on early Christian writings about God's nature and unity, and the meaning of faith. It will be an invaluable resource for students and academic researchers in early Christian studies, history of Christianity, theology, religious studies and late antique Roman history.

Anna Karenina Leo Tolstoy 2016-07-31 Tolstoy's style in Anna Karenina is considered by many critics to be transitional, forming a bridge between the realist and modernist novel. The novel is narrated from a third-person-omniscient perspective, shifting the narrator's attention to several major characters, though most frequently focusing on the opposing lifestyles and attitudes of its central protagonists of Anna and Levin. As such, each of the novel's eight sections contains internal variations in tone: it assumes a relaxed voice when following Stepan Oblonsky's thoughts and actions and a much more tense voice when describing Levin's social encounters. Much of the novel's seventh section depicts Anna's thoughts fluidly, following each one of her ruminations and free associations with its immediate successor. This groundbreaking use of stream-of-consciousness would be utilised by such later authors as James Joyce, Virginia Woolf, and William Faulkner.

The Glory and Shame of England, Vol. 1 (Classic Reprint) C. Edwards Lester 2018-01-16 Excerpt from The Glory and Shame of England, Vol. 1 I do not expect much good-will from the British Government, or most of the British aristocracy, for writing this book. I am working for the emancipation of whole nations, and the elevation of all men. England has always been working for the overthrow of rival nationalities, and the political subjection of men. England fights for the few - I for the many. She for Aristocracy - I for Democracy. She for the present - I for the future. No wonder we-should not agree any too well. In justice to myself, however, it should be always held'in mind, that, in speaking of England, I mean the Government and the ruling classes of the British empire - not the British people, for whom I entertain all the sympathies which spring unbidden from the common fountains of kindred, language, laws and religion. **The Collected Works of Witness Lee, 1954, volume 1**

Witness Lee Brother Witness Lee traveled to Manila, Philippines, at the beginning of 1954. On January 24 he began a seven-day perfecting conference with five special fellowships concerning the subject of pursuing the Lord. After this, he initiated a service training that lasted for six months, with four meetings per week. On Wednesday mornings he gave a Bible study of the Old Testament, and on Wednesday evenings he gave a training on character, including matters such as being the proper person, handling affairs properly, and doing the proper work. On Friday mornings he gave a training on being a minister of God's word, and on Friday evenings he ministered on the proper way to meet. The number who attended these meetings varied between fifty-six and one hundred sixty. The study of the Old Testament and the training on character are included in volume 1 of the 1954 set, along with other messages given in the same time period. Brother Lee left Manila in July and traveled to Hong Kong, where he conducted ten meetings on life and twelve meetings on service, plus four gospel meetings, four young people's meetings, six fellowships on service, and six meetings for the full-time serving ones. These meetings were centered on the indwelling Christ and on the knowledge of spiritual service. They are included in volumes 1 and 2 of this set. Brother Lee left Hong Kong to return to Taiwan in the middle of August. At the end of August and the beginning of September, Brother Lee conducted a special conference in Taipei, Taiwan, that consisted of ten meetings on the subject of spiritual reality, with between one thousand six hundred and two thousand six hundred in attendance. These messages are included in the section entitled *Spiritual Reality* in volume 2 of this set. In the fall of 1954 Brother Lee began another extended training for serving ones like the one that he carried out in the fall of 1953. During this training he conducted a detailed study on Genesis, Exodus, and Leviticus through Ezra. The messages given in this detailed study are included in volume 4 of this set. He also spoke further on the knowledge of life and the experience of life. These speakings and the speakings in the previous training in 1953 on the same subjects were combined to form the books *The Knowledge of Life and The Experience of Life* (see *The Collected Works of Witness Lee, 1953, vol. 3*). During this training he also released messages published in *Gospel Outlines*, which are included in volume 3 of this set. *The Collected Works of Witness Lee, 1954, volume 1*, contains messages given by Brother Witness Lee on January 1 through August 12, 1954. Historical information concerning Brother Lee's travels and the content of his ministry in 1954 can be found in the general preface that appears at the beginning of this volume. The contents of this volume are divided into seven sections, as follows: 1. Two messages given

in Manila, Philippines, on January 1 and 3. These messages are included in this volume under the title *The Significance and Application of the Burnt Offering*. 2. Eight messages given in Manila, Philippines, on January 24 through 31. These messages are included in this volume under the title *The Living and Service of the Burnt Offering*. 3. Twenty-four messages given in Manila, Philippines, in February through July. These messages are included in this volume under the title *A Record of the Service Training in the Philippines*. 4. Thirteen messages given in Manila, Philippines, on February 7 through July 11. These messages are included in this volume under the title *Messages Given in the Lord's Day Meetings in Manila*. 5. Six messages given in Manila, Philippines, in February and March. These messages are included in this volume under the title *The Building Up of the Character of the Lord's Serving Ones*. 6. Twenty-two messages given in Manila, Philippines, in March through June. These messages are included in this volume under the title *A Record of a Bible Study on the Old Testament*. 7. Eight messages given in Hong Kong on July 16 through August 12. These messages are included in this volume under the title *The Spiritual Knowledge Needed for Serving in the Church*.

2017-12-21 Excerpt from *The Greater Glory, Vol. 1 of 2: A Story of High Life* This is a true story. It is what they call a story of high life. It is also a story of the life which is higher still. There be climbings which ascend to depths of in famy; there be also God is merciful - most infamous fallings into heaven. The wise men, who explain this world, have taught us to consider it a round one; doubtless they have wisely measured it. Then, as 't is round, should wisdom twist it topsy-turvy no one would be a whit the wiser, not even the wise men. And that, perhaps, is why - sometimes - to fools - our earthly high and low seem but a mighty matter of tweedledum and tweedledee. **A Youth Worker's Commentary on John, Vol 1** Les Christie 2011-09-06 When a youth pastor is preparing a lesson, it's sometimes challenging to find a curriculum that really offers depth into the Scripture passages and goes beyond a cursory look at the text. A Youth Worker's Commentary on John is the first in a new series of commentaries developed with youth workers in mind. An in-depth, yet readable approach to the gospel of John, this first volume includes commentary, word studies, personal and historical stories, and discussion questions that will help get students thinking and talking. The gospel of John is the most personal and revealing of all the portraits of Jesus in the New Testament. This commentary has the entire NIV biblical text printed alongside a rich, deep look into the meaning of this gospel. Youth workers will find this to be an invaluable aid for message and lesson preparation. They'll get a solid understanding of the gospel of John, including its historical context, rationale, and meaning, to see how to apply what they uncover to the needs and issues the teens in their group are dealing with.

*The Servian People, Their Past Glory and Their Destiny, Vol. 1 of 2 (Classic Reprint)* Prince Lazarovich-Hrebelianovich 2015-07-09 Excerpt from *The Servian People, Their Past Glory and Their Destiny, Vol. 1 of 2* Events in the Near East, which have brought the Servian people prominently to the attention of the world, and the trusteeship laid upon them by destiny as guardians of the chief strategic position in the Balkan Peninsula and keepers of the great gateway between Europe and the Orient, make it desirable to set forth more fully than has hitherto been done in the English language some account of their place among peoples, considered in regard to their physical characteristics, their manner of life, their ideas, customs, beliefs, traditions, and ambitions, their culture, their songs, their battles, the interesting geographical situation of their country, and their relation politically to the other nations of Europe. An opinion can be formed regarding the future actions and general worth to human society of a man or a nation by his or its past conduct and achievements, and so the only fair basis of judgment concerning the Servian people must rest upon some knowledge of their past actions and the institutions in which during the centuries they have embodied their ideals and their will.
